### ***NOTICE OF PUBLIC HEARING JEFFERSON COUNTY ZONING BOARD OF ADJUSTMENT***

**NOTICE IS HEREBY GIVEN** that the Jefferson County Zoning Board of Adjustment will conduct a public hearing at 1:00 p.m. on Thursday, April 10, 2014 in Room 205 of the Jefferson County Courthouse, Jefferson, Wisconsin. The matter to be heard is an application for variance from terms of the Jefferson County Zoning Ordinance. No variance may be granted which would have the effect of allowing in any district a use not permitted in that district. No variance may be granted which would have the effect of allowing a use of land or property which would violate state laws or administrative rules. Subject to the above limitations, variances may be granted where strict enforcement of the terms of the ordinance results in an unnecessary hardship and where a variance in the standards will allow the spirit of the ordinance to be observed, substantial justice to be accomplished and the public interest not violated. Based upon the findings of fact, the

Board of Adjustment must conclude that: 1) Unnecessary hardship is present in that a literal enforcement of the terms of the ordinance would unreasonably prevent the owner from using the property for a permitted purpose or would render conformity with such restrictions unnecessarily burdensome; 2) The hardship is due to unique physical limitations of the property rather than circumstances of the applicant; 3) The variance will not be contrary to the public interest as expressed by the purpose and intent of the zoning ordinance. **PETITIONERS, OR THEIR REPRESENTATIVES, SHALL BE PRESENT.** There may be a site inspection prior to public hearing which any interested parties may attend; a decision shall be rendered after public hearing on the following:

**V1416-14 – Thomas & Jill Jensen:** Variances from Sec. 11.04(a)1.a. of the Jefferson County Zoning Ordinance to reduce yard setbacks required in an R-1 zone and from 11.07(d) to reduce the minimum road setback for reconstruction of the residence and to allow the addition of the current detached garage to the residence. Variances from Section 11.04(a)1.a. for R-1 setbacks, 11.07(d) for the road setback, 11.10(e) 5.a. and 11.10(e)5.b. for shoreland buffer requirements and 11.10(d) for 75-foot setback to navigable water for reconstruction of the residence within its existing footprint, and from 11.09 to reconstruct the entire residence with attached garage.

**10. Decision on Above Petition**

**11. Adjourn**

**If you have questions regarding these variances, please contact the Zoning Department at 920-674-7113 or 920-674-8638.
