## RESOLUTION NO. 2016-\_\_\_

**Resolution creating a full-time Nutrition Program Supervisor position and eliminating a vacant, full-time Nutrition Program Coordinator position at Human Services**Executive Summary

Jefferson County operates eight Senior Dining Sites, offering congregate dining and home delivered meal options. Congregate meals are available to individuals age 60 or older, regardless of income and home-delivered meals are available to any person age 60 or older who is homebound and has an assessed need. These meals provide a minimum of one-third of the daily nutritional needs for an older adult and follow the most updated Dietary Guidelines for Americans. In addition, special diets may be provided upon medical recommendation. According to the Wisconsin Aging Network, “the purpose of the Senior Dining Program is to provide nutrition services that assist older individuals to live independently, by promoting better health through improved nutrition and reduced social isolation through programs coordinated with nutrition related services.”

The Senior Dining Program is funded with federal Older Americans Act dollars, United States Department of Agriculture funds, state tax dollars and county tax dollars. The program also relies heavily on voluntary contributions. Therefore, no fee is charged, but all individuals are encouraged to donate toward the meal.

After 37 years of service to Jefferson County, the current Nutrition Program Coordinator will be retiring on October 7, 2016. In addition, new federal guidelines mandate stricter requirements for senior dining sites, necessitating the need for a supervisor to manage the County’s Nutrition Program. Therefore, the Human Services Director is requesting to eliminate the full-time Nutrition Program Coordinator position, upon the incumbent’s retirement, and create a full-time Nutrition Program Supervisor position. On July 19, 2016, the Human Resources Committee met to discuss the request of the Human Services Director. In consideration of the changes in regulations and the forthcoming vacancy, the Human Resources Committee concurs and is recommending eliminating the full-time Nutrition Program Coordinator position and creating a full-time Nutrition Program Supervisor to oversee the Nutrition Site Managers, the volunteers and the overall Nutrition Program.

---

WHEREAS, the Executive Summary is hereby incorporated by reference into this resolution, and

WHEREAS, Human Services provides an invaluable service to older adults of Jefferson County by providing nutritious meals that allows our elderly to live independently and remain healthier, both physically and socially, and

WHEREAS, new federal guidelines under the Older Americans Act have mandated additional responsibilities for Senior Dining Sites that require a higher-level of monitoring and accountability, and

WHEREAS, the Human Services Director is requesting, and the Human Resources Committee is recommending, the elimination of one full-time Nutrition Program Coordinator position (upon the incumbent's retirement) and the creation of one full-time Nutrition Program Supervisor position to fulfill the requirements of new Nutrition Program federal guidelines.

NOW, THEREFORE, BE IT RESOLVED that the creation of one full-time Nutrition Program Supervisor position and the elimination of one full-time Nutrition Program Coordinator position at Human Services is authorized effective October 8, 2016, and the 2016 County Budget setting forth position allocations in the Human Services Department is hereby amended.

*Fiscal Note: The eliminated Nutrition Program Coordinator position is fully funded in the 2016 budget. Upon retirement of the incumbent, \$15,500 in wages and \$8,800 will not have been expended. These amounts are sufficient to cover the \$10,900 in wages and \$4,700 in fringe benefits for the remainder of 2016 for the newly created Nutrition Program Supervisor position. Therefore, there is no fiscal impact. The Nutrition Program Coordinator position has an hourly wage of \$17.36-\$22.32. This range overlaps with the new Nutrition Program Supervisor position that has an hourly wage of \$20.90 - \$26.88. As a budget amendment, 20 affirmative votes are required for passage.*

WHEREAS, the Jefferson County Board of Supervisors has heretofore been petitioned to amend the official zoning map of Jefferson County, and

WHEREAS, the proposed amendment has been given due consideration by the Board of Supervisors in open session,

NOW, THEREFORE, BE IT ORDAINED that the Jefferson County Board of Supervisors does amend the official zoning map of Jefferson County as follows:

**FROM A-1, EXCLUSIVE AGRICULTURAL TO A-3, AGRICULTURAL/RURAL RESIDENTIAL**

Create a 2.2-acre lot around the existing home at **N9006 Branch Road**, and a 1.3-acre vacant lot adjacent to it. The site is part of PIN 012-0816-1231-001 (5 acres) in the Town of Ixonia. This utilizes the last available A-3 zone for the property; therefore rezoning is conditioned upon recording of an affidavit acknowledging that fact. It is further conditioned upon road access approval, receipt by Zoning of a suitable soil test for the vacant lot, and approval and recording of a final certified survey map. Rezoning shall be null and void and of no effect one year from the date of County Board approval unless all applicable conditions have been completed by that date.
