Background – Dissolution

Effective July 14, 2015. The Wisconsin legislature required that the Wisconsin Department of Agriculture, Trade, and Consumer Protection (“DATCP”) initiate the dissolution of suspended drainage districts throughout the state. The purpose behind the law was to either dissolve or reactive drains in those districts. In Jefferson County, there are seven suspended districts: Drain numbers 1, 11, 13, 17, 18, 19, and 24. On June 15, 2017, DATCP filed notice of administrative dissolution of those districts. Wisconsin law required that Jefferson County’s Drainage Board (“the Board”) provide notice to all affected landowners and interested parties.

Hearing

Wisconsin law affords landowners and interested parties to attend a hearing and object to dissolution. DATCP and the Board will hold this hearing at the following location, date and time:
