

Jefferson County Solid Waste & Air Quality Committee

Lake Mills Light & Water Department
155 Industrial Drive
Lake Mills WI 53551

Agenda

Saturday, June 8, 2024, 8:00 – 11:00 A.M.

1. Jefferson County Electronic & Appliance Recycling Event
 - A. Items: Electronics & Appliance Recycling

For more information, visit our website at: www.jeffersoncountywi.gov/cleansweep

Please call the Clean Sweep/Sustainable Waste Programs Coordinator Kim Buchholz at (920) 674-7430 with questions or to register for the event.

This is a Solid Waste Committee event; no business will be conducted!

A quorum of any Jefferson County Committee, Board, Commission, or other body, including the Jefferson County Board of Supervisors, may be present at this meeting. Individuals requiring special accommodations for attendance at the meeting should contact the County Administrator 24 hours prior to the meeting at 920-674-7101 so appropriate arrangements can be made.
