

EMERGENCY MANAGEMENT 9/23/17 – 1/25/18

SEPTEMBER

Jefferson County Sponsored a Debris Management Class on 9/26-28/17. There were 20 students in attendance. Unfortunately only 4 were from Jefferson County.

OCTOBER

Maturing Public-Private Partnerships: Expand Collaboration, Engagement, and Resilience Workshop

The purpose of the workshop was to address the need for activities to build the skills necessary for successful public-private partnerships. Much of the existing training related to public-private partnerships focuses on defining and generally understanding public-private partnerships. This Workshop will provide skills and techniques to develop, implement, and sustain public-private partnerships.
