

# Jefferson County Dairy Breakfast

in Jefferson, Wisconsin

## 2018 Dairy Breakfast will be May 19th

Posted on January 27, 2016

The committee for the Jefferson County Dairy Breakfast and the Jefferson agriculture business is hard at work planning this years event, which will be held on Saturday, May 19th! The event will again be held at the Jefferson Fair Park, so will be comfortable rain or shine. The ticket price will remain the same as the last few years, \$7.00 at the door and \$6.00 in advance. All proceeds from the breakfast will go towards scholarships and grants for groups in Jefferson County. The wonderful turnout last year and the generosity of our sponsors, enabled us to give over \$8000.00 in scholarships and grants since last years breakfast! you can find Jefferson county dairy breakfast tickets at local financial institutes such as the Premier Banks, Fair Park office, FCCU, County-City CU, Jefferson Chamber of Commerce and any committee member!

There will be some exciting news about the activities at this years breakfast, that will be posted here as soon as those plans are finalized, so come back and visit this site again.

**Thanks for coming back! The scholarship and grant applications have been added to the site and I can now let you know there will be exciting games and more animals available for petting this year! Addie, the live size fiberglass cow will be with us again. She can be milked, moos, and has a lot of educational and fun facts about a dairy farm. Pictures can be taken with a calf or antique tractors. There will be milk drinking contests, mini tractor pulls, games, tractor pulled wagons to and from the parking lot, dogs herding sheep, radio station interviews, live music by the Variations and many vendors and displays. And don't forget the delicious breakfast! Hope to see you all there!**
