<p>If you or any adults you know need help with reading, writing, speaking English, earning a GED, or learning basic computer skills, call the Jefferson County Literacy Council at 920-675-0500 or visit <a href="http://www.jclc.us">www.jclc.us</a>. We will help find you a tutor or a class close to your home.</p>	<p>Volunteers provide one-on-one tutoring and small group instruction to adults who want to succeed in school and at work. Fill out a volunteer request form online at <a href="http://www.jclc.us">www.jclc.us</a> to learn more about how you can help.</p>	<p>Support from donors allows us to reach adults who need literacy services in Jefferson County. A tax-deductible donation can be sent to the address on the front page or made online at <a href="http://www.jclc.us">www.jclc.us</a>.</p>

**Our Mission: *Develop a better community through literacy***

**Our Vision: *To help learners defeat literacy challenges***

JCLC Believes:

- Strong, viable communities are comprised of people who are literate, have good communication skills, are adequately trained in employment skills, possess cross-cultural competencies, and have an understanding of community and social services.
- Each individual holds personal responsibility in his or her learning.
- Volunteerism provides a very important function in communities; cost-effective, quality services can be provided using volunteers that are well-trained and supported.

EDOVO CONTENT LIST  
Updated March, 2017

**This is a general outline of the baseline educational and vocational programming.** We can expand and build out different areas as requested by jurisdiction, including localized reentry.

**We are bringing more educational and vocational content to our platform** every week by securing new partnerships and digitizing existing courses. Courses in italics are in development.

1. Basic Education and Literacy
  - a. ORCA and Story Shares publishers - hundreds of short novels written in English and Spanish for struggling readers complete with reading comprehension questions
  - b. ReadingPlus – leveled reading program that transforms how, what, and why students read while broadening interests and building knowledge
  - c. Edovo literacy library - library of videos and readings organized by ability level, ranging from the learning the alphabet to classic literature
  - d. Edovo reading comprehension courses – short, non-fiction readings complete with questions to test understanding (targeted at grade levels 3-8, grades K-2 and 9 – 12 in development)
  - e. Edovo Foundational Literacy course in development: explicit instruction for beginning readers, starting with phonics and the alphabet
  - f. Edovo “Build to Read” Foundational Literacy – explicit instruction for beginning readers, starting with phonics and the alphabet
  - g. Introductory phonics videos for beginning readers
2. GED and other high school equivalency
  - a. GED checklist – introduction to the GED and how to prepare for it
  - b. i-Pathways – leading personalized test preparation curricula to prepare students for high-school equivalency exams, including GED, TASC, or HiSET
  - c. Two additional full GED practice tests
  - d. Over twenty subject-specific courses that teach and test GED material
  - e. “Dropping Back In” Series on people who went on to success from earning a GED
3. ESL
  - a. Video-based introductory courses for Spanish-speaking ESL students complete with practice questions
  - b. Transparent Language Online program offering:
    - i. Beginner English for speakers of 27 languages (including Spanish)

- ii. Intermediate English for all English learners
  - c. Full Spanish interface in development
- 4. Employment
  - a. Certification preparation courses for Cisco Networking, Commercial Driver's License, and ServSafe
  - b. Digital literacy course covering the basics of word processing software (Microsoft and Google Docs) and the Internet
  - c. Video introductions to career paths and detailed information about the job responsibilities and qualifications
  - d. Video-based courses on the job search and application process. Includes sample resumes and cover letters, as well as detailed tips on how to prepare for an interview and answer frequently-asked questions
  - e. Video-based courses on how to succeed in the workplace, network, and achieve career goals
  - f. Vocational programs on a variety of topics, including automotive mechanics, plumbing, food safety, electrical trade, computer skills, and carpentry
  - g. Introductory courses on customer service and customer service management
  - h. Two entrepreneurship programs (Illegal to Legal and SquareUp), one of which was designed by an ex-offender who is now a successful businessman. Includes sample business plans and step-by-step guides
- 5. Personal Finance
  - a. Introductory course covering many aspects of personal finance, including making a budget, saving, understanding and using financial institutions, and debt.
  - b. Introduction to credit reports and credit scores
- 6. College Courses
  - a. Continuing Your Education: An Introduction to College Courses
  - b. College credit courses; examples of course topics include:
    - i. Beginning Algebra
    - ii. Real World Math
    - iii. Principles of Management
    - iv. Business Law and Ethics
    - v. Intro to Business Communications (not credit earning)
    - vi. Intro to Legal Studies (not credit earning)
    - vii. Econ 101: Principles of Microeconomics
    - viii. Political Science

ix. Intro to Psychology

7. Health and Wellness

- a. Neila Ray - fitness and nutrition information
- b. Headspace
  - i. Introduction to meditation and health benefits of meditation
  - ii. Audio-guided meditation program
- c. Introduction to health literacy
  - i. Health insurance basics
  - ii. Introduction to how to apply for health insurance
  - iii. Properly utilizing health services
- d. Reproductive health
- e. Healthy Roads Media
  - i. HIV/AIDS resources, including video and corresponding handouts in 6 languages.
  - ii. In development: Media library of 1,850+ videos and corresponding handouts covering various health information in 6+ languages. Resources are low literacy accessible.
- f. Florida Literacy Coalition: Staying Healthy
  - i. Health curriculum designed for low intermediate level ESOL learners and above.
- g. Health topics designed for specific demographics: women, veterans, LGBTQ
- h. Personal hygiene
- i. Substance abuse treatment
  - i. How to find a treatment program
  - ii. 12 Step program
  - iii. Mindfulness-based program

8. Religion and Spirituality

- a. Bible correspondence course
  - i. Text-based courses on Christianity complete with guiding questions
  - ii. Certificate available upon completion
- b. Video-based courses on Judaism complete with guiding questions
- c. Text and audio-based courses on Islam complete with guiding questions
- d. Library of video sermons in development

9. Treatment-Oriented Programming

- a. Parenting while Incarcerated, a video-based course we produced featuring Ann Adalist-Estrin, Director of the National Resource Center on Children and Families of the Incarcerated, and Carol Burton, Executive Director of Centerforce and Director of Alameda County Children of Incarcerated Parents.
- b. Cognitive Behavioral Therapy: Addressing Criminogenic Factors, a house made video-based course featuring incarcerated men engaged in therapeutic group sessions led and moderated by Paula Smith and Jennifer Luther formerly of the University of Cincinnati Corrections Institute.
- c. Houses of Healing - emotional literacy course specifically designed for incarcerated individuals, using videos, daily exercises, and a guiding text to help users make better decisions, stay in control, and set life goals
- d. Michael G. Santos Foundation - video-based courses created by a formerly incarcerated individual who turned his life around
- e. Prison Mindfulness Institute - non-sectarian Buddhist course designed to give inmates the tools to achieve personal development goals, rehabilitation, and eventual success in society
- f. Anger management course based on SAMHSA materials
- g. Beyond Prison, Probation, and Parole - Video-based series featuring formerly incarcerated individuals who successfully re-entered society.

#### 10. Legal

- a. Basic legal information available in English and Spanish
- b. Full law library available (with subscription)
- c. In-house legal sessions that include information about the criminal justice system and basic tips for avoiding conflict with the law. Topics include:
  - i. Criminal process
  - ii. Courtroom etiquette
  - iii. Civil vs criminal systems
  - iv. Going pro se
  - v. How to read a court opinion
  - vi. The law of accountability
  - vii. Aggregating criminal charges
  - viii. The role of a public defender
  - ix. Consequences of a suspended license
  - x. Avoiding technical parole/probation violations
  - xi. User fees
  - xii. Consequences of unpaid child support
- d. Introductory course to the criminal process

- e. Introductory course to the courtroom
  - f. Introduction to Constitutional rights
11. Edovo Exploration Content
- a. Bank of thousands of educational and instructional videos, including Khan Academy Lite and additional GED preparation materials
  - b. Podcasts and documentaries on topics such as history, cars, sports, and more
  - c. Library of e-books containing many classics in English and Spanish
  - d. Manuals and resources to support vocational training
  - e. Written and spoken-word poetry
  - f. Religious – texts, sermons, inspirational content from a wide array of faiths
  - g. Library of inspirational and thought-provoking videos focusing on turning one’s life around from incarceration
12. Edovo Creative Content
- a. Edovo Beats – simulated HTML 909 drum machine for users to curate and save custom beat sequences
  - b. Make BIG TALK – writing course designed for self expression and self reflection
-
