

Field Day Announcement

Management of Glyphosate Resistant Weeds in No-till Soybean with Cereal Rye

August 12th, 2022, 1 - 4 pm
N1718 County Rd E, Palmyra, WI

A field day featuring local research addressing the role of rye in weed suppression and resistance management.

The event will include a combination of presentations, field tour and participant round table with an opportunity to define and direct future research. The event will be held rain or shine, refreshments served.

Please park on the east side of Hwy E.
