Executive Summary

The Wisconsin River Rail Transit Commission consists of appointed representatives from Crawford, Dane, Grant, Iowa, Jefferson, Rock, Sauk, Walworth and Waukesha counties for the purpose of ensuring that their communities have quality and reliable access to freight rail service. The Wisconsin River Rail Transit Commission also helps communities in southern Wisconsin to be economically competitive through connection to the national rail system. Rail lines in Wisconsin have been reduced and eliminated over the years, forcing increasingly heavier truck traffic to move goods from point to point. In an effort to preserve freight rail service, the Wisconsin Department of Transportation created a Freight Railroad Preservation Program which provides grants to local units of government, industries and railroads. Funding for this program has decreased in recent years and this resolution encourages the Governor to increase the proposed funding in the 2015-2017 biennium budget for the Freight Rail Preservation Program.

WHEREAS, Jefferson County is a member of the Wisconsin River Rail Transit Commission, and

WHEREAS, the Wisconsin River Rail Transit Commission's mission statement is "to preserve and protect the publicly-owned railroad corridors throughout southern Wisconsin and northern Illinois," and

WHEREAS, rail lines in Wisconsin have been reduced and eliminated over the years, forcing increasingly heavier truck traffic to move goods from point to point, and

WHEREAS, the Wisconsin Department of Transportation oversees surface transportation as part of its statutory authority, and

WHEREAS, the Wisconsin Department of Transportation created a Freight Railroad Preservation Program to help communities and shippers preserve freight rail service during an era when widespread railroad bankruptcies and line abandonments threatened the availability of rail service in Wisconsin, and

WHEREAS, the Freight Rail Preservation Program provides grants to local units of government, industries and railroads for the purpose of preserving essential rail lines and rehabilitating them following purchase, and

WHEREAS, the 2009-2011 state budget provided \$60 million for the biennium in bonding authority for the Freight Rail Preservation Program, and

WHEREAS, the 2011-2013 state biennium budget for the Freight Rail Preservation Program was reduced to \$30 million, and

WHEREAS, the 2013-2015 state biennium budget for the Freight Rail Preservation Program was increased to \$52 million, and

WHEREAS, the Wisconsin River Rail Transit Commission has gone on record supporting increased funding for the Freight Rail Preservation Program.

NOW, THEREFORE, BE IT RESOLVED that the Jefferson County Board of Supervisors supports increasing the proposed funding in the 2015-2017 biennium budget for the Freight Rail Preservation Program.

BE IT FURTHER RESOLVED that the County Clerk is directed to send a copy of this resolution to Governor Walker, the Joint Finance Committee of the Wisconsin Legislature, the state legislators for Jefferson County, Secretary of Transportation Mark Gottlieb, the Wisconsin Counties Association and the Wisconsin River Rail Transit Commission.

*Fiscal Note: This resolution will have no fiscal impact to Jefferson County.*

**Rinard moved that Resolution No. 2015-19 be adopted.** Seconded and carried.

#### **Rinard introduced Resolution No. 2015-20.**

##### Executive Summary

The cost of living has increased in the State of Wisconsin over recent years. In spite of these cost of living increases, zero tax levy cap limits have been imposed on Wisconsin counties since 2012. These tax levy cap limits have forced Wisconsin counties to absorb increased operational expenses of which they have no control. These include utilities, fuel, health insurance, road maintenance and funding high cost placements by the Human Services Department. It is difficult if not impossible to continue to maintain an adequate level of service to the citizens of Jefferson County when the costs of services are increasing and the ability to increase revenues is limited to State funding, sales tax revenues and the local tax levy. For these reasons, the Jefferson County Board of Supervisors opposes the continuation of the current zero tax levy cap imposed on Wisconsin counties.

WHEREAS, the zero levy cap limits have been imposed on Wisconsin counties since 2012, and

WHEREAS, the cost of living has increased 3.4% for 2011, 1.6% for 2012, 1.7% for 2013 and 0.9% for 2014 (as measured by the CPI-U for Midwest urban class D), and

WHEREAS, counties have been forced to absorb increased expenses of which they have no control (utilities, fuel, health insurance, road maintenance, funding high cost placements and services by the Human Services Department, etc...), and

WHEREAS, Jefferson County has done its best to curb spending by cutting costs, eliminating positions, limiting employee wage increases, reducing program offerings and postponing work on highway infrastructure, and

WHEREAS, it is becoming nearly impossible to maintain an

adequate level of service to the citizens of Jefferson County when the costs of services are increasing and the ability to increase revenues is limited to State funding, sales tax revenues and the local tax levy.

NOW, THEREFORE, BE IT RESOLVED that the Jefferson County Board of Supervisors opposes the continuation of the current zero tax levy cap imposed on Wisconsin counties.

BE IT FURTHER RESOLVED that the County Clerk is directed to send a copy of this resolution to Governor Walker, the Joint Finance Committee of the Wisconsin Legislature, the state legislators for Jefferson County and the Wisconsin Counties Association.

*Fiscal Note: This resolution will have no fiscal impact to Jefferson County.*

### **Schultz, Chair of the Board of Health, introduced Ordinance No. 2015-06.**

#### Executive Summary

The Jefferson County Board of Health proposes to amend the Jefferson County Smoke Free Air Act, Ordinance No. 2003-06, to include the use of e-cigarettes and electronic delivery devices.

Unregulated high-tech smoking devices, commonly referred to as electronic cigarettes, or "e-cigarettes," closely resemble and purposefully mimic the act of smoking by having users inhale vaporized liquid nicotine created by heat through an electronic ignition system. After testing a number of e-cigarettes from two leading manufacturers, the Food and Drug Administration (FDA) determined that various samples tested contained not only nicotine, but also detectable levels of known carcinogens and toxic chemicals, including tobacco-specific nitrosamines and diethylene glycol, a toxic chemical used in antifreeze. The FDA's testing also suggested that "quality control processes used to manufacture these products are inconsistent or nonexistent." ("Summary of results: laboratory analysis of electronic cigarettes conducted by FDA," Food and Drug Administration (FDA), July 22, 2009; <http://www.fda.gov/NewsEvents/PublicHealthFocus/ucm173146.htm> Accessed on: October 22, 2009.)

According to a more recent study, electronic cigarette emissions are made up of a high concentration of ultrafine particles, and the particle concentration is higher than in conventional tobacco cigarette smoke. (Fuoco, F.C.; Buonanno, G.; Stabile, L.; Vigo, P., "Influential parameters on particle concentration and size distribution in the mainstream of e-cigarettes," Environmental Pollution 184: 523-529, January 2014.)

Electronic cigarettes produce an aerosol or vapor of unde-

terminated and potentially harmful substances, which may appear similar to the smoke emitted by traditional tobacco products. Their use in workplaces and public places where smoking of traditional tobacco products is prohibited creates concern and confusion and leads to difficulties in enforcing the smoking prohibitions. Smoke-filled workplaces result in higher worker absenteeism due to respiratory disease, lower productivity, higher cleaning and maintenance costs, increased health insurance rates, and increased liability claims for diseases related to exposure to secondhand smoke.

THE COUNTY BOARD OF SUPERVISORS OF JEFFERSON COUNTY DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. Section 3 of the Jefferson County Smoke Free Air Act is amended as follows:

(a) "Smoking" shall mean inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form. "Smoking" shall include the use of an electronic delivery device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

(b) "E-Cigarette or Electronic Delivery Device" shall mean any product containing or delivering nicotine or any other substance intended for human consumption that may be used by a person to simulate smoking through inhalation of vapor or aerosol from the product. "Electronic Delivery Device" shall include any such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor.

Executive Summary

Jefferson County Health Department and Watertown Department of Public Health formed an Environmental Health Consortium to meet the environmental health needs of Jefferson County and the City of Watertown. The coordinated program optimized the limited financial resources of the health departments.

The Jefferson County/Watertown Environmental Public Health Consortium became an agent of Department of Health Services in 2002 and an agent of Department of Agriculture, Trade and Consumer Protection in 2009 to conduct food and recreational inspections and licensing locally. This program expansion was done as a response to the community need to assure the safety of the public. Businesses were unable to make contact with State inspection staff with questions and problems. The local health departments were spending a considerable amount of time responding to local businesses.

The City of Watertown, Watertown Department of Public Health, has been the fiscal agent of the program since the beginning. The Health Officers provide supervision and manage the program in their respective jurisdictions.

Requested Ordinance Updates:

- Charge for the 1st and all subsequent re-inspections [8(d) Fees]
- Raising pool inspection fees to bring the fee in line with the cost of inspections
- Raise all other fees by 2%; fees have not been increased since 2010
- Remove the fee schedule from the ordinance

These changes are being coordinated by the City of Watertown Department of Public Health to keep the policies consistent in the Jefferson County/Watertown Environmental Health Consortium.

**Schultz moved for the adoption of Ordinance No. 2015-07.**  
Seconded and carried.

**Jones, Chair of the Finance Committee, introduced Resolution No. 2015-21.**

Executive Summary

There were five (5) retirements in the Health Department in May 2015. The payout of vested benefits for these retirees, including fringe benefits, was approximately \$73,000. At the end of 2014, the Health Department had an excess fund balance of approximately \$203,000. According to the Fund Balance Policy, the balance should be used for capital purchases, repayment of debt or reduction of tax levy. Even though this is an operating expense, it is a non-budgeted expense. The following resolution is to fund the 2015 budget overage in the Health Department due to the payout of vested benefits.

WHEREAS, the Health Department had five (5) employees retire in May 2015, and

WHEREAS, the payout of vested benefits including fringe benefits was approximately \$73,000, and

WHEREAS, the Health Department at the end of 2014 had an excess fund balance of approximately \$203,000, and

WHEREAS, the Finance Committee recommends a budget transfer of \$73,000 from the excess fund balance in the Health Department to fund the retirement payouts.

NOW, THEREFORE, BE IT RESOLVED that the 2015 budget be amended to authorize the transfer of \$73,000 from the 2014 Health Department Fund Balance, Account #240.355100, to the appropriate expense accounts within the Health Department for the purpose of funding the payout of vested benefits for Health Department retirees.

*Fiscal Note: The fiscal impact of this resolution is a \$73,000 reduction in the 2014 excess Health Department fund balance. As a budget amendment, this resolution requires (20) affirmative votes for passage.*

Executive Summary

Department fee schedules are adopted through the budget process. Throughout the year, departments review their fee schedules to determine if the fees established in their department fee schedule reflect the actual cost to provide the service. This resolution is a request from various county departments to amend

their 2015 department fee schedule that has been adopted as part of budget to more accurately reflect the actual cost to provide services.

WHEREAS, the current department fee schedule has been adopted through the 2015 budget process, and

WHEREAS, some county departments have determined that the fees established in their 2015 department fee schedule no longer accurately reflect the cost to provide the service being provided, and

WHEREAS, the Finance Committee has reviewed the request from the departments, and recommends the attached changes to the fee schedule, and

WHEREAS, the Medical Examiner shall have the discretion to waive any fees or copying costs in exceptional circumstances, such as indigency, pursuant to written department policy establishing criteria after such policy has been reviewed by the Finance Committee. The total dollar amount of all Medical Examiner fee waivers shall be reported to the Law Enforcement and Emergency Management Committee quarterly. If a specific fee is not stated in the attached Medical Examiner Fee Schedule, the Medical Examiner shall charge for fees and costs in accordance with the Wisconsin Public Records Law unless such fees are waived as provided above.

NOW, THEREFORE, BE IT RESOLVED that the fee schedule approved in the 2015 budget be amended as set forth in the attached amended fee schedule upon passage of this resolution.

*Fiscal Note: The fiscal impact of this resolution is unknown and is based on the amount of services provided. Costs for providing services should be offset by the increased fees generated for providing those services. As a budget amendment, 20 affirmative votes are required.*

**Morse, member of the Historic Sites Preservation Commission, introduced Resolution No. 2015-24.**

Executive Summary

The Jefferson County Board of Supervisors created a Historic Sites Preservation Commission and Program to safeguard the County's historic, prehistoric, and cultural heritage, as embodied and reflected in historic structures, sites and districts. The Historic Sites Preservation Commission and Program further serves to stabilize and improve property values, foster civic pride in the beauty and noble accomplishments of the past, protect and enhance the County's attractions to residents, tourists and visitors, and serve as a support and stimulus to business and industry to strengthen the economy of the County. In 2013, a survey of Jefferson County was completed resulting in a comprehensive report on the architectural and historical structures within Jefferson County. One such structure is located in the Shore Place Subdivision which was platted by the Wahl family on the northern shore of Lake Ripley in the Town of Oakland and completed in 1931. The present owner of this property, Raymond E. Wegner, has made application to the Jefferson County Historic Sites Preservation Commission for Jefferson County Landmark Status and the Historic Sites Preservation Commission requests the County Board to approve designation of the Wegner Cottage as a historic structure.

WHEREAS, the 2013 survey of the Southwest Quadrant of Jefferson County completed a comprehensive report on the architectural and historical structures, and

WHEREAS, the report surveyed the Shore Place Subdivision which was platted by the Wahl family on the northern shore of Lake Ripley in the Town of Oakland and completed by 1931, and

WHEREAS, additional cottages were constructed over the

next 15 years with several cottages referenced in the survey, including the cottage located at N4532 E. Shore Place Road, and

WHEREAS, Raymond E. Wegner, the present owner of the property, has made application to the Jefferson County Historic Sites Preservation Commission for Jefferson County Landmark Status, and

WHEREAS, the Historic Sites Preservation Commission has given notice to the owner of the Commission's intent to present this property to the Jefferson County Board of Supervisors for approval as a historic site, and the Historic Sites Preservation Commission requests the County Board to approve designation of the Wegner Cottage as a historic structure.

NOW, THEREFORE, BE IT RESOLVED that the Jefferson County Board of Supervisors hereby designates the Wegner Cottage at N4532 E. Shore Place Road as a "historic structure" pursuant to the provisions of Ordinance No. 2007-48.
