1. Call to Order

No meeting was called to order or business conducted on August 22nd at 7:30 a.m. at the City of Fort Atkinson Public Work Department, 700 James Place, Fort Atkinson, WI 53538

2. Roll Call (Establish a Quorum)

Committee members present were Don Reese, Kirk Lund, and Ron Buchanan. There was a quorum of Committee members present, but no action was taken.

3. Certification of Compliance with the Open Meetings Law

Sharon stated that the Solid Waste/Air Quality Committee complied with open meetings law requirements.

4. Review of Agenda

No changes.

5. Clean Sweep Event Operation

At 7:45 a.m. everything was in place and we started putting cars though the Clean Sweep. At this time we already had one car in line and a business ready to be unloaded.

The results of our Clean Sweep event:

There were 63 Jefferson County Clean Sweep Participants. Here are the breakdowns: 53 households, 1 farm, 4 businesses and 5 were not surveyed.

The 4 businesses were NASCO, OSI, Gaugert, and AMS Carpet Cleaning.

We did not take any medicines or latex paint at this Clean Sweep. If any latex paint came in the Veolia group solidified it and threw it in the dumpster. I checked with John Mueller who said very few residents brought latex paint. The reason we didn't take latex paint was because TJM Innovations backed out of the Fort Atkinson Clean Sweep. We called residents who had already had appointments and placed newspaper ads cancelling the latex paint collection. Rick Schultz allowed us to direct resident to his site with latex paint only.

We won't know the cost of the Clean Sweep until we receive an invoice from Veolia.

We had taken 73 appointments and 15 did not show at the event. We did have 5 drive ups. 58 were surveyed and the 5 drive ups were not.

Survey questions were asked with these results:

1. Have you ever participated in a Clean Sweep Program before? 31-yes & 27-no
2. Are you bringing paint? 31-yes & 27-no
Latex Paint 58-no & Oil Base Pain 31-yes

8. Adjourn

The Clean Sweep ended at 10:30 p.m.
