Approval of Minutes

The Drain Board reviewed and approved the minutes of the February 11, 2019, Drain Board meeting.

Order of Business

**DRAIN 36**

Correspondence was reviewed from the D.O.T. and Attorney Griggs regarding the culvert issue under Hwy 16. Weather conditions did delay the D.O.T. arranging the Lake Mills meeting. The Drain Board continues to wait for the arrangement details of this meeting.

**DRAIN 44**

Ron Griebenow reported that the loan process had not gone forward with the Bank of Reeseville. He said that he and Attorney Griggs would be meeting with the Bank of Waterloo to discuss a loan. Following discussion, David Hughes made a motion that the loan amount is to be \$40,000.00 and if any more delays occur then a payment of \$6,000.00 needs to be sent to Kreuziger Drainage on this unpaid account. Motion seconded and carried.

An additional bill for \$500.00 for legal fees from the Town of Ixonia was sent to Ron Griebenow for the Gopher Hill Road damage. Secretary Magnoni was directed to send this bill on to the contractor, Herring Drilling, for their insurance company.

**DRAIN 20**

Ron Griebenow reported that Contractor Jaeckel was working on the site removing trees on sub-lateral 3-A. The cleaning will begin when the freeze is out.

**DRAIN 2**

Secretary Magnoni reported that he had called Fish Drainage requesting a map illustrating where work had been done. Magnoni reported that he followed up the call with an email to get the request in writing. As of the Drain Board meeting no response has been received from Fish Drainage.

Ron Griebenow reported that he did not know if Attorney Griggs had sent out the landowner assessment on this drain.
