Jefferson County Board of Supervisors Gary Petre, County Administrator

Dear Mr. Petre and County Board Members,

I appreciate being considered to serve on the Mid-Wisconsin Federated Library System Board as a representative of Jefferson County. I have a strong interest in our community libraries both as a user, being a member of a local library book club, and as a citizen, witnessing the positive effects our library has especially on my community's children and elderly residents.

As a Board Trustee, I want to insure that all citizens of the county have equal access to a public library. Also, I would enhance local services by developing and funding programs that strengthen library services through shared resources.

I am the City of Waterloo's representative to the Jefferson County Economic Development Consortium (JCEDC), where I serve as vice chairman. I attend monthly meetings and participate on special committees when required for the JCEDC. Consequently, I will be an active library board trustee and attend the regularly scheduled board meetings.

Participating as a team member of the library board, I will protect and advance the interests of Jefferson County, as well as the other member counties, by effectively governing the operations and promoting the development of our local public library system. Thank you for your consideration.

Respectfully submitted,

Bill Dovi 630 N Monroe St. Waterloo, WI 53594 920.988.6618

# **Proof of Residence for Voter Registration**

Information provided by the Wisconsin Government Accountability Board

What has changed in the law?	As of June 2011, Wisconsin law no longer allows "corroborating witnesses" to provide proof of residence. Voters who are required to provide proof of residence <b>must</b> provide one of the documents listed below.
When must proof of residence be provided?	<ol> <li>Voters must provide proof of residence if they are:</li> <li>1) First-time registrants in Wisconsin, and they are registering by mail.</li> <li>2) Registering in the clerk's office during the "Closed Registration" period less than 20 days before the election.</li> <li>3) Registering at the polls on Election Day.</li> </ol>
What is acceptable proof of residence?	<ul> <li>All proof of residence documents must include the voter's name and current address.</li> <li>A current and valid Wisconsin driver license or identification card.</li> <li>Any other official identification card or license issued by a Wisconsin governmental body or unit.</li> <li>Any identification card issued by an employer in the normal course of business and bearing a photo of the card holder, but not including a business card.</li> <li>A real estate tax bill or receipt for the current year or the year preceding the date of the election.</li> <li>A university, college, or technical college identification card (must include photo) ONLY if the voter provides a fee receipt dated within the last 9 months or the institution provides a certified housing list to the municipal clerk.</li> <li>A gas, electric, or telephone service statement (utility bill) for the period commencing no earlier than 90 days before Election Day.</li> <li>Bank statement.</li> <li>Paycheck.</li> <li>A check or other document issued by a unit of government.</li> <li>An affidavit on public or private social service agency letterhead identifying a homeless voter and describing the individual's residence for voting purposes.</li> <li>Residential lease that is effective on date of registration. (Not valid if registering by mail.)</li> </ul>
Will my WI Driver License or WI ID card always count as proof of residence?	Only a <u>current and valid</u> (unexpired and not suspended or revoked) Wisconsin driver license or Wisconsin state ID card with the voter's current name and address qualifies as <b>proof of residence</b> .
How do I present my document?	You may present your proof of residence document as a paper document or as an electronic document on your smartphone, tablet, or computer. An internet connection will not be provided for your use.

#### Wisconsin Government Accountability Board's Guide to Student Residency for Voting

	Guide to Student Residency for Voting
What are the	Under Wisconsin Statutes, an individual must reside in an election ward for at least 28 consecutive days before the election and have no present intent to move. A person does not lose
requirements for voting residency in Wisconsin?	residency for voting purposes by leaving an established residence for temporary purposes with the intent to return to the residence.
What is the 28 consecutive day requirement?	The 28 consecutive day requirement does not mean that a voter must sleep at or remain at that location for 28 consecutive days before being eligible to vote there. For instance, a voter may move to a location on a weekend 30 days before an election with the intent to make it their voting residence, spend time travelling or at the previous residence on a temporary basis for part or all of the next 28 days, and still vote from the new location. In that case the voter has established a physical presence at the new ward with the required intent to claim residency and the voter can vote from this address even if they are gone for temporary purposes. An example is a truck driver who is only home on the weekend continues to accrue days for the 28-day requirement throughout an entire month even though the individual may not be physically present at the home more than 2 consecutive days.
What is meant by "no present intent to move" and "intent to return"?	It is not necessary that there be an intention to remain permanently at the voting residence. It is sufficient that the place is for the time being the home of the voter to the exclusion of other places. Once established, a person's residency is presumed to continue until a new one is established. A voter's statements and actions alone can establish intent.
When do I need to prove my residency?	If you are registering to vote, you may need to provide documentation proving your residency. There are 4 ways to register to vote: by mail, in your municipal clerk's office, with a Special Registration Deputy, or at the polls on Election Day. If you are a first time registrant in the State of Wisconsin the only time you do not need to provide a proof of residence document is if you are registering at your municipal clerk's office, or with a Special Registration Deputy more than 20 days before the election. All other times you need to provide a document proving your residence.
	If you are currently a registered voter in the State of Wisconsin, but have changed your name or address, you must re-register. For these voters, the only times you need to provide a document proving your residence is when registering in your municipal clerk's office less than 20 days before an election or at the polls on election day. A list of acceptable proof of registration documents can be found at: http://gab.wi.gov/node/2444
What should I do if my residency or eligibility is	Student status is not a consideration in determining residence for the purpose of establishing voter residency. Also, the proof of residence document is not used to confirm that the 28 day residency requirement is met. The voter's sworn statement on the registration application should be taken at face value unless an inspector or challenger has direct evidence to the contrary. Wisconsin law places the burden on the person who challenges the voter's residency to provide evidence of their challenge.
being questioned?	If there is a challenge to your registration or your eligibility to vote, the Chief Election Inspector at your polling place will conduct the challenge process. If you believe your right to vote is being incorrectly challenged you should first talk to the Chief Election Inspector. If you need further assistance, contact your municipal clerk's office and if necessary, the Wisconsin Government Accountability Board (G.A.B.).
