17. Possible Action-Disaster Debris Management Updates –Ehrhardt
18. Update information about the Watertown Video “City of Watertown Recycling Program”
19. Upcoming Meeting Dates and Possible Agenda Items
  - a. November 15, 2013, Solid Waste/Air Quality Meeting – Courthouse/Room 203 at 8:00 a.m.
  - b. December 20, 2013, Solid Waste/Air Quality Meeting – Courthouse/Room 203 at 8:00 a.m.
  - c. January 17, 2014, Solid Waste/Air Quality Meeting – Courthouse/Room 203 at 8:00 a.m.
  - d. February 26-28, 2014, WIRMC at Hyatt on Main – Green By, WI
20. Adjourn

**The Solid Waste/Air Quality Committee may discuss and/or take action on any item specifically listed on the agenda.**

**INDIVIDUALS REQUIRING SPECIAL ACCOMMODATIONS FOR ATTENDANCE AT THE MEETING SHOULD CONTACT THE COUNTY ADMINISTRATOR 24 HOURS PRIOR TO THE MEETING AT 920-674-7101 SO APPROPRIATE ARRANGEMENTS CAN BE MADE.**

#6

**Minutes - Jefferson County  
Solid Waste/Air Quality Committee  
Friday, October 18, 2013 at 8:00 A.M.  
Jefferson County Courthouse – Room 203  
320 S. Main Street, Jefferson, WI 53549**

**Members:** Don Reese-Chair, Greg David-Vice Chair, John Kannard-Secretary, Carlton Zentner and Greg Torres

**Staff:** Rob Klotz and Sharon Ehrhardt

---

**1. Call To Order**

Meeting called to order at 8:00 a.m. by Reese.

**2. Roll Call (Establish a Quorum)**

In attendance at 8:00 a.m. were Don Reese-Chair, John Kannard-Secretary, and Greg Torres.

Guests in attendance were John Molinaro-County Board Chair, Ben Wehmeier-County Administrator and Steve Pfeiffer-Manager URT.

Greg David arrived at 8:13 a.m.

Carlton Zentner was excused.

**3. Certification of Compliance With the Open Meetings Law**

Klotz verified that the meeting was being held in compliance with open meetings law requirements.

**4. Public Comment**

Reese introduced Steve Pfeiffer-Manager URT (Universal Recycling Technologies)

**5. Review the Agenda**

No changes were proposed to the agenda.

**6. Approval of Minutes – August 16, 2013**

Motion by Torres, seconded by Kannard to approve the minutes as presented. Motion carried on a voice vote with no objection.

**7. Communications**

WIRMC (Wisconsin Integrated Resource Management Conference); the schedule came in the mail on Thursday. Reese said to put on the November agenda for discussion.

**8. Discuss with Possible Action-Waste Management-Deer Track Park Landfill – Don Smith**

Don Smith called and said he could not attend this meeting, but will be attending the November 15<sup>th</sup> meeting.

*a. Landfill Update*

Reese said they are finishing their covering.

*b. Estimates for Budget*

Reese said that he hadn't gotten an update to the budget. Klotz said we were ok with our budget because he put in a lower amount.

**9. Discuss with Possible Action-Update from Watertown Street Department – Rick Schultz**

Ixonia nominated the City of Watertown for the "Excellence in Wisconsin Recycling Award". The Committee asked Ehrhardt to send a recommendation to the DNR to choose the City and Rick Schultz for the award.

**10. Discuss with Possible Action-Updated Contract from URT (Universal Recycling Technologies)**

Motion by Torres, seconded Kannard to approve the new URT contract for recycling e-waste and appliances. Motion carried on a voice vote with no objection.

**11. Discuss with Possible Action-Updated MOU Contract with Partners**

Ehrhardt and Pfeiffer announced that the City of Jefferson will be collecting e-waste and appliances. The Committee was given a copy of the updated MOU which included the City of Jefferson. Steve P. had an agreement for locking the container at the City of Jefferson site. The Committee said that Steve P. should forward it to the City of Jefferson for signing because it will be their responsibility to lock the container.

**12. Discuss with Possible Action-Update on Clean Sweep Information**

*a. Clean Sweep Summaries for September 21 and October 4*

Ehrhardt has not received the invoices for the two events. September 21<sup>st</sup>: 66 Participants, 1 Farm, 4 Businesses and 61 Households. October 4<sup>th</sup>: 26 Participants were all households. Ehrhardt didn't get the number of residents that attended the Whitewater event.

- b. *Fair Park Disposal Costs for April 13 Clean Sweep*  
The disposal cost of the materials Fair Park brought to Clean Sweep was \$1,206.75. Whenever MIS disposes of material, the Committee pays those costs too. The county departments pay for the cost of lamp disposal. Terry Gard handles the lamp recycling.
- c. *Clean Sweep Grant Updates*  
Processed, waiting to hear from DATCP
- d. *Donations Update*  
We had \$1,355 in donations before we sent letters and have received \$2,210 since the letters were sent in September. Total for the year is \$3,565  
Fort HealthCare wants to donate something; they don't want to just write a check. Ehrhardt wanted to know how the Committee wanted her to handle the Fort donation. The Committee said she should meet with James Shulkin who is in charge of the Fort donations.
- e. *Electronics Collections Update*  
Amount received from e-waste scrap for 2013 is \$11,948.36.  
Total e-waste for 2013 is 222,093 pounds and the grand total to date is 2,099,210 pounds.  
City of Jefferson is getting a container and will be collecting electronics and appliances.  
Ehrhardt will have to update all brochures and posters. When Jefferson gets their container she will do a news release and photo of the site.
- f. *Appliance Collections Update*  
The total amount of pounds for 2013 is 50,589 and grand total of pounds collected is 166,250.
- g. *Drug Collections Update*
  - (1) Witness Burn Drug Collection December 3 and Witness Burn December 4  
Sharon will be on vacation and Reese said he would cover for the Witness Burn.  
Mark Heal and DATCP will send notices out to all interested groups.
  - (2) Problem of overfilling of the Sheriff's Drug Container by Group Homes  
The Committee received a copy of the letter sent to the healthcare facilities. This should take care of the problem.

**13. Discuss Update on Dodge County Clean Sweep Partnership – Sharon Ehrhardt**

Dodge County would like the type of agreement that we have with Whitewater. They are still working on details. Veolia would do the billing for any Dodge County residents.

**14. Discuss Upcoming Budget for 2014 – Rob Klotz**

Klotz put the budget on the video screen to review with the Committee. The revenues have stayed the same. Donations are down a little and sale of scrap materials are up. Our expenses for the year are about \$105,000 to \$110,000 and we have about \$100,000 in reserve. The Solid Waste budget doesn't change much from year to year. The program is paying for itself. Klotz told the Committee if they had any detailed questions about an item they should talk to Brian Lamers-Finance Director; he could explain it to them.

**15. Discuss with Possible Action-Sharon becoming Co-Chair for the AROW Product Stewardship Committee**

The AROW Board will make that decision October 22 at their Board Meeting.

Motion by Torres, seconded by David that Ehrhardt co-chair the AROW Product Stewardship Committee for one year; with Committee review after one year. Motion carried on a voice vote with no objection.

**16. Discuss with Possible Action - October 12, Mattress & Box Spring Collection at Fair Park**

They collected 7 mattresses from 3 people. They want to be at our April 12 Clean Sweep.

The Committee asked that this be put on the November agenda to be discussed when Rick is in attendance.

**17. Discuss with Possible Action - October 24, Meeting with Schools and Carton Council**

Watertown, Fort Atkinson, Jefferson and Palmyra Eagle are going to attend the meeting. Ehrhardt is just acting as an organizer for the meeting. It will be up to each school whether they want to recycle cartons.

**18. Discuss with Possible Action - October 23, Sharon & Sheriff Paul Milbrath Webinar Local Drug Collections for the 2013 Water Star Wisconsin Municipal Water Management series.**

Ehrhardt will send the link to everyone for the webinar and also send the presentation to the Committee members.

**19. Possible Action-Disaster Debris Management Updates – Sharon Ehrhardt**

They have not had a meeting.

**20. Review and Play “City of Watertown Recycling Program” Video**

Played video. The Committee asked Ehrhardt to check if this was sent to the cable stations. The Committee asked that it be put on our website. The video should be on the vimeo.com link.

**21. Upcoming Meeting Dates and Possible Agenda Items**

- a. October 23, 2013 Water Star Wisconsin Municipal Water Management series Webinar
- b. October 24, 2013 Carton Council Meeting City of Watertown Street Dept. at 10:00 a.m.
- c. November 15, 2013, Solid Waste/Air Quality Meeting – Courthouse/Room 203 at 8:00 a.m.
- d. December 20, 2013, Solid Waste/Air Quality Meeting – Courthouse/Room 203 at 8:00 a.m.

**22. Adjourn**

Motion by David, seconded by Torres to adjourn the meeting at 9:45 a.m. Motion carried on a voice vote with no objection.

**The Solid Waste/Air Quality Committee may discuss and/or take action on any item specifically listed on the agenda.**

*INDIVIDUALS REQUIRING SPECIAL ACCOMMODATIONS FOR ATTENDANCE AT THE MEETING SHOULD CONTACT THE COUNTY ADMINISTRATOR 24 HOURS PRIOR TO THE MEETING AT 920-674-7101 SO APPROPRIATE ARRANGEMENTS CAN BE MADE.*

Re: 2013 Walworth County Clean Sweep

**Public Works Department**

**Kevin Brunner**  
Director of Central Services

**Larry Price**  
Director of Operations

**Peggy Watson**  
Business Office/Purchasing  
Manager

Dear Sharon:

We would like to thank you for the outstanding cooperation and assistance provided at the 2013 Walworth County Clean Sweep collection held at the City of Whitewater Public Works Complex on Friday, October 4.

We truly appreciated your time, input and assistance during the program planning process and implementation of this year's event. Thank you so much for soliciting and providing the survey and traffic direction staff needed at the Whitewater collection site.

We appreciated your partnership in providing this opportunity to the residents of Walworth County and Jefferson County, which has resulted in providing efficient and cost effective hazardous waste disposal services to the residents in our two counties.

As you already know, 131 vehicles were served at the Whitewater collection site; twenty six of those were Jefferson County residents. The Whitewater site collected 294 pounds of uncontrolled meds. We have not received an invoice from the hazardous waste vendor and do not know the total volume of material collected at this time, but when we receive the invoice and reports we will pass them on to you.

The 2013 Clean Sweep program was a great success due to the time, effort and assistance provided by every individual involved. Thanks for your part in making the program so successful.

Sincerely,  

Nancy Russell, Chair – Walworth County Board of Supervisors  
Kevin Brunner, Director of Central Services – Walworth County Public Works  
Larry Price, Director of Operations – Walworth County Public Works  
Janet Cline, Solid Waste Division Staff – Walworth County Public Works

## Household Hazardous Waste Program

Clean Sweep provides an opportunity for residents of Madison and Dane County to safely dispose of hazardous waste.

### 2013 Collection Season

**We will be opening our new facility on May 1st 2013.**

#### Hours:

**Tuesdays - Fridays: 7:00 - 2:45**

**Saturdays: 8:00 - 10:45**

**Closed Sundays, Mondays and Holidays.**

We are now (as of May 1st 2013) located at 7102 US Hwy 12, Madison WI 53718, (Beltline/12/18 East toward Cambridge) across from the Yahara Hills Golf Course at the Dane County Landfill.

### Guidelines for Materials Brought to Clean Sweep

Waste materials should be packaged in boxes or rigid totes to keep products upright and prevent spillage during transportation to the collection facility. Keep materials in their original containers. **DO NOT PACK OR CO-MINGLE YOUR WASTE MATERIALS IN PLASTIC TRASH BAGS.** Individual items may be bagged in plastic if the original container is compromised. Do not mix any materials. Upon arrival at the landfill site, follow the entrance road, drive past the scale, go directly to the Clean Sweep building, and stop under the canopy. Clean Sweep staff will greet you and direct you to the counter (inside of the walk-in door under the canopy) to collect your payment. You will be asked to furnish proof of residency. If you have items or materials that are subject to fees, you will pay at this point. Payment is to be in the form of cash or credit card (Visa or Mastercard only). No checks or currency larger than \$20 bills are accepted. After payment of fees, Clean Sweep staff will assist you in unloading your vehicle. Facility operators reserve the right to refuse any waste or material deemed unacceptable. If you are bringing gasoline or other fuels to Clean Sweep, remember to transport your fuel in an approved container (no more than 6 gal. size). Clean Sweep staff will pour off the fuels and return your container, time permitting. Unapproved or unsafe fuel containers will not be returned.

### Fee Structure

- **Dane County Households & Farms:** \$10.00 per trip for all household hazardous waste and electronics. One television or computer monitor is included with the trip fee. Additional televisions and monitors will be billed at an additional \$10.00 each.

- **Out-of-County Households & Farms:** \$75.00 per trip  
No latex paint or electronics accepted from out-of-county residents

Last Revised April 13, 2011

*We reserve the right to impose additional fees for large quantities of materials or loads from multiple households. Customers with large loads are urged to call (608)243-0368 in advance to determine the applicability of any additional fees.*

## Electronics

**Electronics will be accepted from Dane County residents/households only. Fees apply to TV's and computer monitors. NO ELECTRONICS ACCEPTED FROM BUSINESSES.**

All electronic materials will be responsibly handled in an environmentally safe and secure manner, using the best data wiping software available. Electronic materials accepted at Dane County Clean Sweep include: **Monitors, laptops, servers, TV's, printers, computers, printer/fax/scanners, DVD players, stereo equipment, VCR's, video game consoles, computer peripherals, mice/keyboards, PDA/cell phones, all computer parts, MP3/iPods/etc., telephones, UPS batteries, copiers, typewriters, cash registers, networking equipment, and cable boxes. Also accepting radios, digital clocks, digital cameras, and remotes. ALL BATTERIES MUST BE REMOVED FROM ELECTRONIC ITEMS.** The listing of the types of electronic materials accepted at Dane County Clean Sweep is subject to change.

## Disposal options for common items

Although we do our best to accept as much household hazardous waste as possible, there are some things we cannot take off your hands. Click on the items below to display information regarding their disposal.

Note: If an item is in this list, it does not necessarily mean that Clean Sweep will accept it.

**Clean Sweep does not accept tires, paper or cardboard products, yard waste, construction, debris, rubbish, glass, solid metals, solid waste, appliances, etc. Contact your local official, trash hauler, or private recycler for details.**

Please click on the item of interest to learn about its proper disposal. Your disposal instructions will appear in the disposal instructions box beneath the list.

- Aerosol cans
- Acids and Bases
- Asbestos
- Ammunition
- Antifreeze and oil filters
- Batteries
- Ballasts
- Brake, transmission, power steering fluid
- Computers
- Cooking oil
- Driveway sealer -- Solvent-based (tar, asphalt)
- Electronics
- Explosives, and fireworks
- Fertilizer
- Fire extinguishers
- Flammable solvents, fuels and aerosols
- Fluorescent light bulbs

**Disposal Instructions**

Take to: Office Depot, Staples, Office Max or other cartridge recycling location

Re: Excellence in Wisconsin Recycling Award Nomination

City of Watertown

Jefferson County and the Solid Waste/Air Quality Committee is nominating The City of Watertown for the "Excellence in Wisconsin Recycling: Overall Program Award". We recognize that the City of Watertown is committed to work with their community and county in reducing waste and increase recycling options for their residents and businesses. Jefferson County has been working with City of Watertown since 2000 when we hosted the first Clean Sweep together. We work closely with their Street Superintendent Rick Schultz, and because of his dedication and initiatives to reducing waste, increase recycling and proper disposal methods he has been a valuable asset and resource to our programs. Watertown has increased their recycling to 26 tons a week from 13 tons a week. They also decrease their landfill waste in half.

Watertown was the first city to host a continuous yearly Clean Sweep, the first city to partner with a business to recycle carpeting and then open it up to all of Jefferson County. They were the first city to have an electronics (e-waste) site, and the first to add appliances to their site and again, making it available to all Jefferson County residents. Watertown is the first city to have mattresses and box springs recycling, and possibly in the future, may open it up to other county communities. Watertown is looking into recycling upholstered furniture in the future. They also recycle oil, oil filters, brush/grass clippings, porcelain, and have a pilot program for recycling organics. The porcelain that comes from toilets, sinks and bathtubs are ground up and used in the road ways. This reduces the amount of natural gravel they have to purchase and helps preserve our natural resources.

The City of Watertown supported the Watertown Police Department in opening a drug collection site at the Police Department. The local hospital paid for the collection container, and the local pharmacists volunteer their time to sort the drugs.

Watertown is always looking for ways to improve recycling by finding news items to recycle, and at the time reduce waste stream costs. The Watertown community knows how to work together and give their residents and businesses great opportunities to recycle which improves the safety and the environment. Jefferson County is proud to be a Watertown partner in recycling.

Sincerely,

A handwritten signature in black ink that reads "John Molinaro".

John Molinaro, Chairperson  
 Jefferson County Board of Supervisors

A handwritten signature in black ink that reads "Donald Reese".

Donald Reese, Chairperson  
 Solid Waste/Air Quality Committee

## 2014 Schedule at a Glance as of 10.10.13

### Wednesday, February 26

11:00 AM - 7:00 PM Conference Registration / Check-In

7:30 AM - 12:15 PM Tour: C&D and Single Stream MRF's

2:00 - 3:30 PM

**SWANA Board Meeting**

3:30 - 4:30

**WCSWMA Annual Meeting**

\* 4:15 - 5:45

**AROW Annual Meeting**

*~ Dinner On Your Own ~*

5:45 - 6:30

SWANA's Young Professional's Reception

6:30 - 9:00

**Welcoming Event:** *Enjoy light hors d'oeuvres, beverages, music and games*

### Thursday, February 27

7:30 AM - 4:00 PM Conference Registration / Check-In

7:30 - 8:30 AM

Hot Breakfast Buffet

8:30 - 9:45

**NEW! Exhibit Hall Opening Event:** *Refreshments! Prizes! Must be present to win!*

10:00 - 10:50

**WELCOME & OPENING KEYNOTE:** *"Top 10 Reasons the EPA Appreciates the Materials Management Industry" - Dr. Susan Hedman, Region 5*

11:00 - 12:00 noon

**Track Sessions I** (see page 2)

12:15 - 1:15 PM

Lunch, AROW Awards & SWANA Scholarships

1:15 - 2:15

Dessert Reception: *Complimentary refreshments served in the Exhibit Hall*

2:15 - 3:15

**Track Sessions II** (see page 2)

3:15 - 3:30

Break

3:30 - 4:45

**Track Sessions III** (see page 2)

5:00 - 6:30

Exhibitor's Reception: *Complimentary refreshments served in the Exhibit Hall*

7:00 - 11:00

Vendor Hospitality Suites

### Friday, February 28

7:30 - 10:30 AM

Conference Registration / Check-In

7:30 - 8:30

Hot Breakfast Buffet

8:30 - 9:30

**Track Sessions IV** (see page 2)

9:40 - 10:40

**Track Sessions V** (see page 2)

10:40 - 11:00

Break & Hotel Check Out

11:00 - 12:00 noon

**CLOSING KEYNOTE:** *"Life Lessons from the Trail" - Jeff Alt*

12:00 - 12:30 PM

Door Prizes: *Must be present to win!*

Sharon Plans to attend \* Sessions!

# Wisconsin Integrated Resource Management Conference

## WIRMC

## 2014 WIRMC Track Sessions\* (As of 10.10.13)

### Thursday, February 27, 2014

#### 11:00 - 12:00 Track Sessions I

- \* • **Pioneering Mattress Recycling in Wisconsin**  
*Bob Mudler, Midwest Mattress Recovery, LLC*
- **Aerobic Digestion and Leachate – Cut Costs and Boost Sustainability**  
*Richard Aho, EWS, LLC*
- **Green Incentive Programs – Better Environment, Better Business!**  
*TBD*

#### 2:15 - 3:15 Track Sessions II

- \* • **School Carton Recycling Panel – Taking Center Stage in Caring for the Environment**  
*Debbi Dodson, Carton Council; Tracy Romzek, Outagamie County Parent; Meribeth Sullivan, Waukesha County*
- **Alternative Daily Cover Demonstration of Posi-Shell ADC**  
*David Webster, Recovery Systems Company*
- **Landfill Gas (LFG) Basics: Managing & Repairing LFG Header Pipes at Older Landfills / Understanding LFG Data and LFG Extraction Systems Diagnostics: 101**  
*Michael Amstadt and Roxanne Wienkes, TRC Environmental Corporation*

#### 3:30 - 4:45 Track Sessions III

- \* • **Taking on Food Scraps:**
  - **Food Wastage Through the Food Chain**  
*Jonathan Rivin, UW-Extension*
  - **Tackling the Food Scraps Challenge - City of Milwaukee and InSinkErator Clean Kitchen Green Community Project**  
*Rick Meyers & Becky Curtis, City of Milwaukee; Kendall Christiansen, Gaia Strategies*
- **Are Your Markets Really Stuck on the Proverbial “Green Fence?”: A Market Update**  
*Dave Keeling, Steel Institute; Patty Moore, Moore Recycling Associates; Jim Birmingham, Pioneer Recycling International; Dan McClenahan, Strategic Materials*
- **Collaboration in Developing p-BACT for Formaldehyde Emissions in Landfill Gas Engines Flare Design Standards and Factory Emission Test Case Study**  
*Meleesa Johnson, Marathon County; John Welch, Dane County; Ray Ramos, Cornerstone EG*  
*Chris Lawn, Pure Element Resources; Lance Roberts, ABUTECH*

### Friday, February 28, 2014

#### 8:30 – 9:30 Track Sessions IV

- **Sustainable Meetings & Events**  
*Justin Dall’Osto & Joe Liebau, Jr., WasteCap Resource Solutions*
- \* • **Wisconsin Clean Sweep: Program Data Analysis & Updates**  
*John Katers & Brian Yagle, UW-Green Bay; Jane Hewston Larson, WI Dept. of Agriculture, Trade and Consumer Protection*
- **BOW – Strategic Plan for Waste Resource Management**  
*Andy Nickodem, Golder Associates, Inc. & others TBA*

#### 9:40 – 10:40 Track Sessions V

- \* • **Revitalizing the Way We Recycle Packaging and Paper in America**  
*Paul Gardner, Recycling Reinvented*
- **Biomass Opportunities in Wisconsin**  
*Andrew Dane, Short Elliot Hendrickson (SEH), Inc.; Don Peterson, Renewable Resource Solutions*
- \* • **The Rock at Crystal Ridge...**  
*Evan Nickodem, McClure Engineering Associates, Inc.; Sean Hayes, Milwaukee County*

#### Need CEU credits?

Solid Waste Professionals, including Professional Engineers, can gain credits by attending WIRMC presentations.
