Register of Deeds and Land Information Fee Change Schedule

Beginning Monday April 18th, 2016 Jefferson County Register of Deeds Office will be implementing a new software that will replace the existing online Land Records searching system. As we move closer to our implementation date I wanted to take a moment and further explain how these changes may impact our fee schedule for remote subscribers and monthly data purchases.

Resolution 98-57 - Sale of Optical Images requires a 30 day written notice to our customers to terminate the current contract. The previous price for the contract was \$400 per month per CD. The new contract prices will be based on the number of images (pages) and the numbers of documents recorded each month, these fees are based off the state average. This procedure will affect account # 1001.451303; there may be a slight increase in revenues based on the new fee structure.

- Day Forward Images - \$0.20/image
- Day Forward Index - \$0.15/doc
- Historic Bulk Images - \$0.15/image
- Historic Bulk Index - \$0.15/image

Resolution 2008-65 and 2005-79 – Setting Fees, Private Remote Access and Internet Access, land records and copy fee subscriptions will also be affected by the implementation of the new system. Current charges are \$45/month for index viewing, \$30/month plus \$1/page to view the images. The current contract requires a 30 day notice to our customers for changes to the fee structure. The new land records system charges the subscriber based on the number of minutes they utilize searching our records; these fees are based off of the state average:

Avid's Laredo Subscription

Minutes	Subscription/Month	Overage	Print Charge
0-250	\$ 75.00	.25/min	.50/page
251-500	\$ 125.00	.25/min	.50/page
501-1000	\$ 200.00	.25/min	.50/page
1001-2000	\$ 300.00	.25/min	.50/page
unlimited	\$ 500.00	n/a	.50/page

Fiscal Estimate: The account numbers affected by this change are:

Account #	Description	Budgeted	Anticipated	Difference
1001.451303	Copy Fees	\$72,000.00	\$ 53,000.00	\$(19,000.00)
1001.451305	Land Info/Deeds Fees (new account)	\$ -	\$ 37,500.00	\$ 37,500.00
1301.451008	Land Information Budgeted Revenue	\$ 5,300.00	\$ 5,300.00	\$ -
1303.451008	Land Information Program Budgeted Revenue	\$10,560.00	\$ 2,262.00	\$ (8,298.00)

V. SHARING JEFFERSON COUNTY NEWS AND EVENTS THROUGH SOCIAL MEDIA TOOLS IS AN EXCELLENT, LOW-COST WAY TO ENGAGE THE COMMUNITY. THE FOLLOWING GUIDELINES ARE TO BE FOLLOWED WHEN ENGAGING IN SOCIAL MEDIA ON BEHALF OF JEFFERSON COUNTY:

Maintain confidentiality

Do not post confidential or proprietary information about Jefferson County or its employees. Use good ethical judgment and follow County policies and federal requirements, such as the Health Insurance Portability and Accountability Act (HIPAA) of 1996 and the Family Educational Rights and Privacy Act (FERPA)

Maintain privacy

Do not discuss a situation involving named or pictured individuals on a social media platform without their permission. As a guideline, do not post anything that you would not present in any public forum.

Do no harm

Let your social media presence(s) do no harm to Jefferson County or to yourself whether you are navigating those platforms on the job or off.

Write what you know

Ensure you write and post about your area of expertise, as it relates to your position with the County.

Understand your personal responsibility

Moderators are personally responsible for the content they publish. Be mindful that what you publish will be public for a long time—protect your privacy.

Be aware of liability

You are responsible for what you post on social media platforms personally and professionally. Be sure that what you post today will not come back to haunt you.

Maintain transparency

The line between professional and personal business is sometimes blurred. Be thoughtful about content and potential audiences. Be clear that you are sharing your views as a representative of Jefferson County.

Correct mistakes

If you make a mistake, admit it. Be upfront and be quick with your correction. If you are participating in any social media platform, you may choose to modify earlier content—just make it clear that you have done so.

Respect others

You are more likely to achieve your goals or sway others to your view(s) if you are constructive and respectful while discussing a bad experience or disagreeing with a concept or person.

Be a valued member

Make sure you are contributing valuable content. Do not hijack the discussion and redirect by posting self/organizational promoting information. Self-promoting behavior is viewed negatively and can lead to you being banned from platforms or groups.

Think before you post

What you write is ultimately your responsibility. There is no such thing as a “private” social media platform. Search engines can turn up content years after being published. Content can be forwarded or copied. Archival systems save information even if you delete content. If you feel angry or passionate about a subject, it is wise to delay your social media participation until you are calm and clear-headed. Publish only content that you would be comfortable sharing with the general public (current and future peers, employers, etc.).

If it gives you pause, pause.

If you're about to publish something that makes you even the slightest bit uncomfortable, don't shrug and hit “send.” Take a minute to review these guidelines and try to figure out what is bothering you, then fix it. If you are still unsure, check with your manager. Ultimately, the decision about what you publish is yours—as is the responsibility. So be sure.

Topic restrictions

Do not post any links or write any content or postings that involve or are related to the following:

- Items involved in litigation or could be in the future
- Nonpublic information of any kind
- Illegal or banned substances and narcotics
- Pornography or other offensive materials
- Defamatory, libelous, offensive or demeaning material.
- argumentative exchanges with members of the public
- personal opinions about posted topics or comments made by members of the public
- Private/personal matters of yourself or others

RESOLUTION NO. 2016-_____**Recommendations on Legislation that Impacts Planning, Zoning and Land Use Laws**Executive Summary

Although opposed by many Wisconsin counties, including Jefferson County, 2015 Wisconsin Act 55 (the biennial budget bill), including the revisions to §59.692, Wis. Stats., was enacted by the state of Wisconsin on July 12, 2015. These revisions to shoreland zoning significantly changed the state's shoreland zoning policy and purpose and were enacted without meaningful public notice, public input or review by and input from local units of government or analysis by the Wisconsin Department of Natural Resources. This resolution requests that the legislature discontinue the practice of fast-tracking piecemeal bills regarding planning, zoning, and land use and instead adopt a systematic review by a group of primary stakeholders of state laws (existing or proposed) that impact planning, zoning and land use, with a concurrent process involving notice and public input opportunities that will ensure thoughtful and deliberate consideration.

WHEREAS, Wisconsin counties have been authorized by state statutes since 1968 to enact and administer general zoning regulations including shoreland zoning regulations in towns choosing to be subject to those regulations, and

WHEREAS, Jefferson County requested by adoption of Resolution 2015-58 on June 23, 2015, that the proposed revisions to § 59.692, Wis. Stats., Zoning of Shorelands, be removed from the biennial budget bill and instead be addressed in stand-alone legislation, and

WHEREAS, this request, although echoed by dozens of other Wisconsin counties, was ignored and 2015 Wisconsin Act 55 (the biennial budget bill), including the revisions to §59.692, Wis. Stats., was enacted by the State of Wisconsin on July 12, 2015, and

WHEREAS, these revisions to shoreland zoning significantly changed the state's shoreland zoning policy and purpose, and were enacted without meaningful public notice, public input or review by and input from local units of government or analysis by the Wisconsin Department of Natural Resources, and

WHEREAS, the manner in which this legislation came about has resulted in a general state of confusion as to interpretation and implementation of the new law resulting in uncertainty as to the implementation, administration and enforcement of shoreland zoning at the county level, and

WHEREAS, State Statutes dictate the process by which counties may revise general zoning and shoreland zoning regulations which typically involves numerous steps and notifications including opportunities for town board and public input, and

WHEREAS, after the enactment of the 2015 Wisconsin Act 55, a number of bills were proposed impacting planning, zoning and land-use at the local level that were introduced one week, and sent to public hearing the next week, offering little or no opportunity for public input or analysis

by state or local regulators of the meaning of the bills or how the proposed laws would interact with existing laws, and

WHEREAS, the development community and property owners typically seek information from county zoning administrators regarding pertinent zoning regulations months before submitting final applications, relying on the zoning administrators to provide accurate information as to the zoning regulations surrounding a project, and

WHEREAS, the changes brought about by the 2015 Wisconsin Act 55 shoreland zoning revisions and the piecemeal bills subsequently introduced and fast-tracked have created a climate of uncertainty and frustration for the development community, property owners and county zoning administrators, all of which contribute to a loss of efficiency and productivity.

NOW, THEREFORE, BE IT RESOLVED that the Jefferson County Board of Supervisors respectfully requests that the legislature discontinue the practice of fast-tracking piecemeal bills regarding planning, zoning, and land use.

BE IT FURTHER RESOLVED that the state legislature adopt a systematic review by a group of primary stakeholders of state laws (existing or proposed) that impact planning, zoning and land use, with a concurrent process involving notice and public input opportunities that will ensure thoughtful and deliberate consideration.

BE IT FURTHER RESOLVED that Jefferson County would welcome the opportunity to participate in discussions and public listening sessions and hearings regarding state shoreland and comprehensive zoning regulations to discuss ways in which each could be improved.

BE IT FURTHER RESOLVED that the County Clerk forward copies of this resolution to Governor Scott Walker, the Secretary of the DNR of the State of Wisconsin and the state legislators for Jefferson County.

Fiscal Note: This resolution has no fiscal impact
