RESOLUTION NO.: 46—2017-18

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN:

MAJORITY

1 Legislation has been introduced to amend the state statutes to require the Department of
2 Corrections (DOC) to recommend revoking a person's extended supervision, parole or
3 probation if the person is charged with a crime while on extended supervision, parole, or
4 probation. This legislation, as drafted, could result in predictable unjust outcomes
5 causing increased incarceration at an increased cost to the state and counties. The DOC
6 estimates this legislation could result in an increase of 5,570 revocation cases each year.
7 This means 5,570 more individuals would be occupying county jails without
8 reimbursement from the DOC. Essentially this bill is an unfunded mandate to Wisconsin
9 county jails. In addition, it is estimated that this bill could result in increased operations
10 costs (excluding possible construction costs) to the DOC of \$51.9 million during the first
11 year of enactment and permanent increased operations costs of approximately \$149.3
12 million after the population is annualized during the second year of enactment.
13

14 NOW THEREFORE, the undersigned members of the Public Safety Committee recommend
15 adoption of the following resolution.

16 BE IT RESOLVED, that the Outagamie County Board of Supervisors does oppose any
17 legislation that automatically revokes a person's probation if that person is charged with a crime, and

18 BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy
19 of this resolution to the Outagamie County Executive, all Wisconsin counties, and the Outagamie
20 County Lobbyist for distribution to the Governor and the Legislature.

21 Dated this 8th day of August 2017
