Passcode: Waste

1. Call to Order

Chairman Schultz called the meeting to order at 8:30 a.m.

2. Roll Call (Establish a Quorum)

Solid Waste Members present in person were Dick Schultz, Anita Martin, Jeff Smith and Jeff Johns. Solid Waste staff members present in person were Caitlin McAleavey and Matt Zangl. Land and Water Director Patricia Cicero was also present.

3. Certification of Compliance with the Open Meetings Law

Zangl certified compliance.

4. Approval of the Agenda

Schultz approved agenda. **No objections.**

5. Public Comment *(Not to exceed 15 minutes – Members of the public who wish to address the Committee on specific agenda items must register their request at this time)*

Janet Foust of W993 Gopher Road, Watertown presented concerns about the impact CAFOs have on the air quality of Jefferson County. Vic Karaliunas of W262 Hillendale Drive, Oconomowoc seconded this concern.

6. Approval of Minutes – February 1, 2022

Motion to approve minutes from February 1, 2022 motioned by Johns and seconded by Martin. **No objections. Passed 4-0.**

7. Communications

No communications stated.

8. Update from Veolia

Al provided an update on the upcoming Clean Sweep. McAleavey stated current registration numbers.

9. Update from Refrigerant Depot

Mariana was not able to attend, and did not have an update to share.

10. Update from the City of Watertown

No updates provided.

11. Update from the Town of Ixonia

Lee Schmeckpeper, Site Manager of the Town of Ixonia/Concord Transfer Site, resumed his position as site manager but relinquished DNR E-cycling report submittal responsibility to the Town of Ixonia Clerk. Martin asked if we could receive copies of these reports and McAleavey stated she would share the next annual report with the committee. DNR E-cycling reports are due by August 1st of each year.

12. Update from Deer Track Park Landfill

Joe Hackbarth provided an update on the landfill and waste created from the avian flu. He stated that the Deer Park Landfill is not accepting any waste directly contaminated with/created from avian flu. The only materials they are accepting are culled chickens that are being disposed of in the attempts to control the spread. They are working with the DNR, DATCP, and USDA on all matters regarding avian flu. Smith asked who is taking contaminated material. Hackbarth responded he believed Mallard Ridge Landfill owned by GFL was accepting the materials. Martin asked for clarification on how materials are proven to be contaminated or not. Hackbarth stated that is decided by corporate (Waste Management), USDA, and DNR.

13. Update on Upcoming Clean Sweep/Electronics Recycling Event

- a. Friday, April 8th from 2:30 – 5:30 p.m. at Jefferson Fairgrounds
- b. Saturday, April 9th from 7:30 – 10:00 a.m. at Jefferson Fairgrounds

- a. Club 55, Lake Mills Senior Center – Wednesday, April 20th from 12:30 – 2:30 p.m.
- b. Dwight Foster Public Library, Fort Atkinson – Thursday, April 21st from 7:00 – 8:00 p.m.
- c. Watertown Public Library – Thursday, April 28th from 6:00 – 7:15 p.m.

McAleavey provided an update on a new program she started to get updated recycling information out to residents of Jefferson County.

15. Discussion on Air Quality

Zangl provided an update on where staff are in the process of getting responses from the DNR regarding air quality and CAFOs in Jefferson County. He stated once we gather sufficient information, we will have a joint meeting with the Board of Health and Solid Waste Committee to discuss. Martin requested staff reach out to DNR to determine if we could add a particulate matter monitor to the Laatsch Lane monitoring station, or another suitable location. Members discussed the logistics, purpose, and legality of putting air monitors in certain locations. Zangl stated we have requested to meet with the DNR, however they have stated they will answer submitted questions only at this time.

16. Discussion on 2022 Financial Report

Zangl shared the report and stated if anyone had questions to let him know.

17. Discussion on Agricultural Plastics Recycling

McAleavey stated she is attempting to start an agricultural plastic recycling program with Revolution Plastics, specifically for the farms that currently do not have a dumpster provided by Revolution Plastics. A survey has been created to gauge the interest and/or need for more agricultural plastic recycling opportunities in the county that can be sent out in coordination with UW Extension and the Land and Water Department. Additional plastics recycling opportunities were discussed such as water softener bags, dog food bags, mulch bags, etc.

18. Upcoming Meeting Dates and Possible Agenda Items

- a. Upcoming meeting: Tuesday, June 7th at 8:30 a.m.

19. Adjourn

Motion to adjourn at 9:45 a.m. by Smith, seconded by Johns. Passed 4-0.

9) Update from Veolia

None.

10) Update from Refrigerant Depot

Mariana Rosado reported that April Electronics and Appliance recycling event had consistent numbers for appliances, but electronics had a significant decrease. Total weight for electronics was approximately 9,000 lbs. versus previous events having totals of approximately 20,000 lbs. This was the first combined event with household hazardous waste (HHW), but the events will be separate in the fall.

11) Update from City of Watertown

None.

12) Update from Town of Ixonia

None.

13) Update from Deer Track Park Landfill

Joe Hackbarth, District Manager of Municipal Solid Waste stated that volume is down, but special waste is up. He also stated that a compliance inspection with the state would be taking place today.

14) Update on 2022 Budget

Zangl provided an update.

ANNUAL COLLECTION DATA

Did you collect any eligible electronic devices under E-Cycle Wisconsin during the previous program year? Yes No

A. Weights of EEDs Collected

Enter the weights of eligible electronic devices you collected and sent to registered recyclers or collectors under E-Cycle Wisconsin during the previous program year.

If you collected eligible electronic devices from households and schools in both urban and rural counties, break the pounds out by these two categories. Enter a "0" if you did not receive pounds in one of these categories. If you did not track this, enter all pounds as urban. Map of urban and rural counties

Did you send eligible electronic devices to another registered collector during the previous program year? Yes No

Click or tap the Add button, then select the collector's name from the drop-down list. Do not add yourself – this is only for another collector you sent electronics to.

Collector	Pounds from Urban Counties	Pounds from Rural Counties	Total Pounds
REFRIGERANT DEPOT LLC	20,115.00	0.00	20,115.00

Did you send eligible electronic devices to a registered recycler during the previous program year? Yes No

Click or tap the Add button, then select the recycler's name from the drop-down list.

Recycler	Pounds from Urban Counties	Pounds from Rural Counties	Total Pounds
UNIVERSAL RECYCLING TECHNOLOGIES	88,536.00	0.00	88,536.00

Total weight of EEDs sent to registered recyclers/collectors during previous program year:

We collected EEDs from Wisconsin households and covered schools during the previous program year that were NOT sent to a registered recycler.

Total weight of EEDs collected during previous program year:

Of the above total weight of EEDs collected, how many pounds were collected from schools? (optional)

Describe how you ensure that only EEDs from Wisconsin households and covered schools are included in these totals?*

Jefferson County employees verify that each participant that brings EEDs to our collection sites is a resident of Jefferson County, Wisconsin.

B. Collected Materials Breakdown (Optional)

Do you have a breakdown of the weight of eligible electronic devices you collected by device type (e.g., TVs, computers)? Yes No

Provide a breakdown of the weights you collected in major categories, such as TVs and computers. This will help us understand the waste stream better and compare Wisconsin's collection with other states.

Recycled Material	Weight (in Pounds)
Other EEDs	64,370.00
Televisions	89,029.00
Computer monitors	2,051.00

ANNUAL COLLECTION DATA

Did you collect any eligible electronic devices under E-Cycle Wisconsin during the previous program year? Yes No

A. Weights of EEDs Collected

Enter the weights of eligible electronic devices you collected and sent to registered recyclers or collectors under E-Cycle Wisconsin during the previous program year.

If you collected eligible electronic devices from households and schools in both urban and rural counties, break the pounds out by these two categories. Enter a "0" if you did not receive pounds in one of these categories. If you did not track this, enter all pounds as urban. Map of urban and rural counties

Did you send eligible electronic devices to another registered collector during the previous program year? Yes No

Click or tap the Add button, then select the collector's name from the drop-down list. Do not add yourself – this is only for another collector you sent electronics to.

Collector	Pounds from Urban Counties	Pounds from Rural Counties	Total Pounds
REFRIGERANT DEPOT LLC	20,115.00	0.00	20,115.00

Did you send eligible electronic devices to a registered recycler during the previous program year? Yes No

Click or tap the Add button, then select the recycler's name from the drop-down list.

Recycler	Pounds from Urban Counties	Pounds from Rural Counties	Total Pounds
UNIVERSAL RECYCLING TECHNOLOGIES	88,536.00	0.00	88,536.00

Total weight of EEDs sent to registered recyclers/collectors during previous program year:

We collected EEDs from Wisconsin households and covered schools during the previous program year that were NOT sent to a registered recycler.

Total weight of EEDs collected during previous program year:

Of the above total weight of EEDs collected, how many pounds were collected from schools? (optional)

Describe how you ensure that only EEDs from Wisconsin households and covered schools are included in these totals?*

Jefferson County employees verify that each participant that brings EEDs to our collection sites is a resident of Jefferson County, Wisconsin.

B. Collected Materials Breakdown (Optional)

Do you have a breakdown of the weight of eligible electronic devices you collected by device type (e.g., TVs, computers)? Yes No

Provide a breakdown of the weights you collected in major categories, such as TVs and computers. This will help us understand the waste stream better and compare Wisconsin's collection with other states.

Recycled Material	Weight (in Pounds)
Other EEDs	64,370.00
Televisions	89,029.00
Computer monitors	2,051.00
Desktop printers/printer combos	1,693.00
Computers	2,315.00

C. Collection Fees

If you charge fees for collecting EEDs under the program, provide information on the methods you use (e.g., charging \$10 for TVs or 20 cents/lb for all electronics)

Do you charge Wisconsin households and schools a fee for collection of EEDs?

Yes

No

(if yes) How are fees determined? (Check all that apply)

Price/lb

Price/item

Briefly describe your fees:

At both of our single day events, Refrigerant Depot charges \$35.00 per television and \$10.00 per computer monitor. The Town of Ixonia charges \$5.00 for computer monitors, \$10.00 for TV's 27" and under, and \$20.00 for TV's over 27". Fort Atkinson, Waterloo, and Watertown do not charge for electronics waste.

Other(describe)

Do you limit the number of items that may be brought in at one time?
