Accepting \$500 in restricted donations for the Jefferson County Health Department's Safe Sleep Program and amending the 2024 budget

### **Executive Summary**

The Jefferson County Health Department was awarded a total of \$500 in restricted donations for their Safe Sleep Program from the Kiwanis Club of Jefferson Wisconsin towards the purchase of Pack N Plays and Safe Sleep Kits to ensure a safe sleep environment for families in need.

The Jefferson County Health Department has successfully implemented a Safe Sleep Program for many years for families in Jefferson County. This program demonstrates to parents and caregivers the importance of providing safe sleep environments for infants. There are instances of infants dying as a result of unsafe sleep environments and this program helps to mitigate that by providing education and a Pack N Play to families with limited resources. Using an evidence based program, Public Health Nurses from our department make a home visit to each family receiving the safe sleep information, demonstrate how to set up the Pack N Play, and provide education on how to ensure a safe sleep environment for their infant.

WHEREAS, the above Executive Summary is incorporated into this resolution, and

WHEREAS, this funding is available to the Jefferson County Health Department from the Kiwanis Club of Jefferson Wisconsin and

WHEREAS, the Jefferson County Health Department's Safe Sleep Program has already served six families in 2024 and 25 families in 2023, and

WHEREAS, this program continues to provide opportunities to educate families on safe sleep practices.

NOW, THEREFORE, BE IT RESOLVED that the Jefferson County Board of Supervisors hereby accepts \$500 in restricted donations for the Jefferson County Health Department's Safe Sleep Program.

<u>Fiscal Note:</u> Passage of this resolution authorizes the County Finance Director to make the necessary budget adjustments to enact this resolution. This is a budget amendment. County Board approval requires a two-thirds vote of the entire membership of the County Board (20 votes of the 30-member County Board).

- **A.** Revenue Analysis: The month of April is closed and, therefore, the County is 1/3 of the way through 2024. I anticipate seeing 33.34% collected for department revenue. My horizontal analysis will be based on how the 2024 % Collected compares to 2022 and 2023. My vertical analysis will be based off how relative the 2024 % Collected is to 33.34%. The departments that are noted below are outliers to what is expected.
  - 1. <u>Administration:</u> Despite 10% collection in 2024 being relative to the last three years, it is not relative to the expected 33.34%. This is due to federal grants and state aid that is not yet collected.
  - 2. <u>Capital Projects and Debt:</u> As of April, the Capital Projects and Debt are over collected at 110%. This is high compared to 2023 (11%) and 2022 (23%). This is primarily due to revenue collected from the sale of county land for Project Dove.
  - 3. <u>Child Support:</u> The revenue collected by April 2024 is slightly lower than expected at 27%, however, is relative to the last three years. This is due to not yet collecting on Performance Based Income. This revenue will be collected in the second half of the year.
  - 4. <u>County Clerk:</u> County Clerk is over collected at 37% which is higher than the last three years. This is because the County received all budgeted election maintenance (election software) contract payments from municipalities for 2024. This is also due to over collection in Passport Fees/Passport Photo Fees.
  - 5. <u>District Attorney:</u> As of April 2024, District Attorney is slightly under collected at 28%. This is relative to the last three years; however, this is lower than the expected 33.34%. This is due to not yet receiving federal grants for the Resolve Court Backlog project and state aid for Victim Witness which are both collected in arrears.
  - 6. <u>Economic Development:</u> With a percentage of 37% collected, Economic Development is over collected as of April 2024. This is due to 99-104% collection on ED Consortium funds for municipalities which occurs early in the year.
  - 7. <u>Emergency Management:</u> At 108% collected, Emergency Management is over budget as of April 2024. This is due to the County receiving additional Flood Mitigation reimbursements.
  - 8. <u>Fair Park:</u> Like March, the Fair Park revenue is significantly lower than expected at 5% collected in April. Excluding Fair Week revenue, this deficit in collection is due to 0% collection in Sponsor Revenue (12101-457010) and Winter Storage (12101-482014), as well as 19% collection in Building Rental (12101-482012).
  - 9. <u>Health:</u> At 21% collected, the Health Department is lower than expected. This is due to not yet receiving state aid for Public Health as well PHEP, ARPA, AND WIC.
  - 10. <u>Human Resources:</u> Like March, Human Resources is slightly lower than the expected at 28%. This is due to not yet receiving federal grant funding for Recruitment and Retention (12301-424001-22219).

- 11. <u>Human Services:</u> Human Services is relative in revenue collection compared to 2022 (19%) and 2023 (16%). However, this is lower than expected. This is due to under collection of revenue in state aid and grants for many programs, with the most prevalent under collection being TPA Payments for CLTS (\$4,556,335 for 2024) We typically receive half of these funds in June and the other half in December. Historically TPA payments have significantly exceeded budgeted amounts.
- 12. <u>Land and Water:</u> Land and Water is under collected at 22% as of April 2024. Like March, this is because the County have not yet received funding for the DATCP Staffing Grant as well as federal grants for farm preservation.
- 13. <u>Register of Deeds:</u> At 23% collected, Register of Deeds is lower than the expected 33.34%. Like March, this is due to under collection in RE Transfer Fee County Portion (13001-412300) and RE Recording/Filing Fees (13001-451301). Reminder that this is a reflection of the current housing market inventory.
- 14. <u>Treasurer:</u> Interest & Dividends (132001-481001) is 69% collected as of April 30th. We will continue to be monitored throughout the year.
- 15. <u>Veterans:</u> The Veterans Department is under collected at 28%. This is due to APRA funds not yet being distributed for vet services backlogs. This occurs in a year end journal entry.

- **B.** Expense Analysis: Like the Revenue Analysis, below are the departments that are outliers to what is expected at this point in the year.
  - 1. <u>Administration:</u> The Administration Department is 24% spent as of April 2024. This is due to APRA funds not yet spent for the APRA Broadband PSC Expansion (11101-594810-22202).
  - 2. <u>Capital Projects and Debt:</u> As of April 2024, Capital Projects and Debt is underspent for the year. The primary cost driver is the Courthouse/Sheriff/Jail improvement project.
  - 3. <u>County Board:</u> County Board is overspent at 61%. Reminder that this is being driven by typical spending in JCEDC (11602-593405), Railroad Consortium Donation (11602-593413) and Membership Dues (11601-531324).
  - 4. <u>County Clerk:</u> As expected, County Clerk is overspent as of April. Reminder that this is primarily due to expenses that flow through Other Insurance (11703-591519). Similar to March, this overspending is also due to printing of ballots for elections and renewals of an election machine contract and election software.
  - 5. <u>Fair Park:</u> As of the month of April, the Fair Park is 11% spent which is relative to 2022 (10%) and 2023 (13%). This is primarily due to the following:
    - <u>Fair Park (12101)</u>: There are current part-time and full-time open positions at the fair park. The expense and benefit codes associated with these open positions are driving the low spending. Spending in Other Professional Services (12101-521219) has not yet begun for a budgeted feasibility study. Groundskeeping charges (12101-529170) are low but typically these pick up throughout the summer months. Finally, capital equipment (12101-594810) is also driving the 11% spent with a budget carry over of \$90,000 for capital improvements unspent as of April 2024.
    - Fair Week (12102): The driving contribution for low spending in Fair Week is that the
      expenses associated with Fair Week will come in during and after July. This will also
      include salaries/benefits for part time help.
  - 6. <u>Internal Services Fund:</u> As of April, MIS is higher than expected at 40%. This is typical for the last three years and is driven by prepaid expenses associated with Computer Support (77001-521296) and Maintain Machinery & Equipment (77002-535242).
  - 7. <u>Land and Water:</u> Land & Water is underspent at 21% in April which is relative to the last three years. This is due to 0% spending in Other Professional Services (12405-521219-24405) expenses funded by the Producer Led Watershed Grant. This is also being driven by 0% spending in Consultant (12401-521220-22224) for the APRA groundwater study.
  - 8. <u>Medical Examiner:</u> Like March, the Medical Examiner's underspending in April is driven by open positions and expenses associated with autopsy/autopsy transportation. Compared to the last three years, this low spending is typical for this time of year.

- 9. <u>Parks:</u> The Parks Department is underspent at 18%. Reminder that this is because spending has not yet taken place for capital projects such as the Interurban Phase III Bridge Construction, Dog Park Fencing, Burnt Village ADA launch, and Holtzhueter Park parking lot resurfacing. It is also due to open part-time positions and the expenses associated with them.
- 10. <u>Register of Deeds:</u> Like March, Register of Deeds is overspent at 42%. This is higher than expected and due to purchases made in Maintain Machinery & Equipment (13001-535242). The activity is typical for this time of year with subscription renewals for various vendors/contracts.
- 11. <u>UW- Extension</u>: UW-Extension is underspent at 14%. Reminder that this is being driven by the semi-annual payments made to the State for the Educator positions. Historically, half of the payment is sent in July and then again in December.
