RESOLUTION NO. 2025-_____

Approving Participation in the Wisconsin Statewide Mutual Aid Compact (WiSMAC)

Executive Summary

The purpose of this executive summary is to provide the Jefferson County Board of Supervisors with an overview of the county's proposed participation in the Wisconsin Statewide Mutual Aid Compact (WiSMAC). This compact allows Wisconsin counties, municipalities, and federally recognized tribes to provide and receive mutual aid during emergencies and disasters. Emergencies and disasters can quickly overwhelm local resources. WiSMAC provides a legal and operational framework for coordinated response, allowing Jefferson County Emergency Management to request assistance from neighboring counties or other compact members, provide resources and support to other jurisdictions in need, and ensure a standardized, cooperative approach to emergency management across Wisconsin.

The Law Enforcement and Emergency Management Committee (LEEM) reviewed this resolution at its January 23, 2026, meeting. Following the discussion, the committee voted to recommend forwarding the resolution to the Jefferson County Board of Supervisors for consideration at the February 10, 2026, meeting.

WHEREAS, participation in WiSMAC will enable Jefferson County to request and provide assistance in managing emergencies, thereby improving public safety and resource utilization throughout the state.

NOW, THEREFORE, BE IT RESOLVED, that the Jefferson County Board of Supervisors hereby approves and authorizes Jefferson County's participation in the Wisconsin Statewide Mutual Aid Compact (WiSMAC) for Local Emergency Management Assistance, as outlined in the attached Memorandum of Understanding (MOU);
