

Building and Grounds Maintenance Worker II

Jefferson County is home to 22 county owned parks and several multi-use trails spread-out through the County for the public to enjoy. The Jefferson County Parks Department strives to preserve natural resources for public use and conservation as well as promote the health and wellness of our communities. We operate and maintain a parks system with resource-oriented recreation, trails, and special use parks. We also manage the grounds keeping and grounds improvements for the county's multiple buildings and campuses.

In order to maintain a high standard of operation, the department is looking to hire a Building & Grounds Maintenance Worker to complete building and grounds maintenance tasks throughout the Jefferson County Parks Department and provide leadership to volunteers, seasonal workers, and other staff by completing the below key tasks:

- Performs extensive vegetative management throughout the park system including mowing, weed whipping, chemical and weed spraying, brush and shrub trimming, tree trimming and felling, prairie restoration, hazard identification, tree planting, prairie burns, invasive species control, landscape development and construction, grass seeding and mulching, and stump removal.
- Operates and maintains a variety of vehicles and equipment such as, but not limited to, skid loader, trucks with trailers, forklift, mowers, tractors, snow blowers, chainsaws, electric clippers, sod cutters, or pruning saws.
- Assists in organizing, coordinating, and supervising field operations, including grounds keeping, building and facility maintenance, development and construction projects, and winter operations.
- Performs other duties as assigned or that may develop.
