ABOUT THE COMPREHENSIVE COMMUNITY SERVICES (CCS) OF JEFFERSON COUNTY

Jefferson County's Comprehensive Community Services (CCS) program within the Human Services department provides a flexible array of individualized community-based psycho-social rehabilitation services for consumers with mental health or substance use disorders across their lifespan, with specific focus on children and adolescents.

The CCS Service Facilitator I role includes eligibility for up to 25% remote work flexibility.

WHAT YOU WILL DO AS CCS SERVICE FACILITATOR I

The purpose of this position is to provide psycho-social rehabilitative services to children and adolescents diagnosed with Mental Health and/or substance-use disorders and enrolled in the Comprehensive Community Services Program, to reduce the negative impact of mental health and/or substance-use disorders.

As a CCS SERVICE FACILITATOR I, you will be successful in this role by completing the following tasks and responsibilities:

- Facilitates psychosocial rehabilitative services as specified in the Comprehensive Community Services Array (DHS 36) which includes but is not limited to, screening and assessments, service plans and facilitations, monitors physical health and wellness management.
- Responsible for ensuring consumers participate in the team-developed service plan and assists consumers with identifying and meeting goals.
- Creates comprehensive mental health assessments within the first 30-day enrollment period, and every 6 months thereafter.
- Works with both consumer and recovery teams to collect information about consumers' family, past and current mental health and substance use.

Requirements:

- Bachelor's degree in social work or related field.
- One year of related experience and/or training.
- Experience with all ages who have mental illness and/or substance-use disorders
- Valid Drivers License.
- Certified Social Worker – preferred.

Preferred Requirements:

- Two years of related experience and/or training.
- Crisis management experience.
