

CSP Professional II

Explore. Thrive. Belong.

Jefferson County is the Heart of the Heartland. We offer the best of Wisconsin living with safe, family oriented, vibrant business and civic communities surrounded by picturesque farmland. Jefferson County is proud of our small-town living options and easy access to major urban centers.

ABOUT THE COMMUNITY SUPPORT PROGRAM OF JEFFERSON COUNTY

Jefferson County Human Services developed the Community Support Program in 1996 to focus on helping consumers diagnosed with a severe and persistent mental illness with various functional needs remain in the community and support them in their recovery journey to achieve their self-determined goals. CSP staff assist consumers in developing skills and working toward goals in education and employment, finding and maintaining stable housing, coaching them in activities of daily living, balancing their physical and mental health, developing and improving relationships, providing education to consumers and supports, and helping people to develop coping skills and strategies to manage mental health symptoms, as well as addressing challenges as they arise. Qualified CSP staff will also provide psychotherapy services.

WHAT WE ARE LOOKING FOR

The purpose of this position is to provide psychotherapy, clinical assessment, treatment planning, and case management to adults, adolescents, and children with severe and persistent mental illness for the Community Support Program (CSP).
