Jefferson County is the Heart of the Heartland. We offer the best of Wisconsin living with safe, family oriented, vibrant business and civic communities surrounded by picturesque farmland. Jefferson County is proud of our small-town living options and easy access to major urban centers.

WHAT YOU WILL DO

The purpose of this position is to provide case management and care support to clients that are assessed and found to be in need of services with Jefferson County's Outpatient Integrated Behavioral Health Clinic or Emergency Mental Health community programs, specifically individuals impacted by opioid use.

SOME ESSENTIAL RESPONSIBILITIES

You will be successful in this role by completing the following tasks and responsibilities:

Performs assessments for clients impacted by opioid use, identifying their strengths, needs, barriers, and organizing comprehensive information, to determine appropriate services.

- Provides outreach and resources to people impacted by Opioid use.
- Performs case management duties to provide and refer clients to community resources as identified in service plan and provides client-specific advocacy necessary to assist clients with gaining access to services and resources.
- Works closely with community stakeholders, i.e. EMS, Law Enforcement, and Hospitals, to assist people in accessing services, particularly after an overdose.
- Develops a Targeted Case Management (TCM) service plan that includes the client's needs, strengths, their role in the service plan, and measurable objectives. Reviews treatment plan outcomes with client, supervisor, and medical director. Completes documentation and progress on service plain progress notes. Provides service plan review and follow up with clients every six months.

Requirements:

- Four years related experience and/or training; or a bachelor's degree from a college or university; or an equivalent combination of education and experience.
- High school diploma or equivalent required.

Preferred Requirements:

- Five years related experience and/or training; or a bachelor's degree from a college or university plus two years of experience; or equivalent combination of education and experience.
