**Directions**

44 East Mifflin Street (also known as the old AT&T building) is located on the Capitol Square at the intersection of Mifflin Street, Pickney Street and Webster Street, directly across the street from the Madison Children's Museum. Our parking ramp is located on the side of the building but a one way street toward the capitol square means you must enter it from the outside loop on the square or go around the block.

Bring your parking sticker to be validated. You will need your ticket to get out of the ramp. Park in the visitor slots. The ramp has no elevator to the building.

Enter the building from the back and press 6 to come to our floor. Or you can also enter from the main lobby on the square.
