Gerald Berg would like to purchase 510 Market Street parcel #291-0815-0412-218 in Watertown for \$3,000. He owns many rental properties; one of them is right next to this property. He would like to add this to his rental property lot and add a 3 car garage. These garages could be rented by his renters, nearby rentals, or for storage units.

Steven Kline, owner of Jellystone, is requesting that the County foreclose on twenty to thirty tax delinquent parcels of property at Jellystone that are 3 or more years delinquent. After the County forecloses on these parcels, he will purchase them from the County. If the County grants his request, Mr. Kline will pay the County back taxes and interest of approximately \$30,000-\$40,000 for his other Jellystone properties that are tax delinquent. His plan is to get a loan to pay the back taxes and interest along with the purchase of these additional properties. He is willing to pay all the back taxes and interest plus \$500 per property, plus any expenses for the Jellystone properties related to the foreclosure. He is willing to purchase all of these properties together or individually and does not intend to resell, but instead he will rent them out seasonally.

- 21. Discussion on 2017 projections of budget vs. actual. Worzalla stated it is fairly early in the year for projections. She stated that there is nothing with the departments that she is aware of with expenditures going over the department budgets at the end of 2017. - 22. Discussion and possible action for utilization of Contingency for Courthouse Bathroom Renovation Project. The County received only 1 bid for the Courthouse Bathroom Renovation Project. Hi Ben,

Emi Reiner has been asked to go to a Coalition for Drug-Free Communities Training Institute in Atlanta, GA on July 23-27, 2017. It will be fully paid so no expense to the County. I know we talked about out of state travel and wondered if this still has to go through the Finance Committee? Thanks, Gail

Dear Extension Education Committee,

I want to thank you entertaining this discussion regarding 4-H Membership Dues. In 2008, when the dues were instituted, Jefferson County became the first and only county to require dues for 4-H membership. I checked with Kandi O'Neil in the State 4-H Office and she thought a couple of counties now request dues from members. Yet, it still is a rare option.

I did an internet search of 4-H Membership Dues. In several states (Pennsylvania, Georgia, and Kentucky) the state promotes that 4-H member requires no dues and no uniforms. They promote only a small fee to help cover educational and project materials. Most often minimal dues are collected by the club to help defray the cost of 4-H Club outings and snacks or for specific events or projects. A County 4-H Ski Club in Bayfield and Ashland Counties collect for equipment (\$55 for a family and \$25 for individual).

I did discover a few states (Missouri and Illinois) collect dues that help support the Educational Trips and program support of 4-H. In North Dakota and Minnesota individual counties collect minimal dues (\$2-\$10) and one is significant (\$30) again for direct support of the 4-H Programs, awards or insurance.

In Missouri, the dues increase in 2015, from \$15 to \$27. An article expressed the concern at the substantial increase and the effect on participation. The increase in one county will help pay for a person to help with enrollment data entry and collection of the dues. There is a complicated way for youth on Medicaid to get their dues reimbursed.

In California, dues will decrease because of generous donation in the form of a grant from a corporation.

I hope this provides the broad spectrum of the dues. My previous experience, no one paid dues at the county level. When FFA members wanted to participate in a 4-H Activity, they dual registered so that they could be covered under our Accidental Insurance (\$1 per year per member, \$2 for Horse project). We've attempted to be very open to FFA participation but some projects make me concerned about liability if they are not enrolled as a 4-H Member.

I also am aware of at least 3 families that decided to join 4-H in Dodge or Walworth County. I wonder if the dues we charge even with the scholarship deterred them from joining Jefferson County.

# The possible options:

- 1) Leave the dues at \$20.
- 2) Decrease the dues (maybe \$10 per member).
- 3) Limit dues to \$20 for individuals by not more than \$50 per family.
- 4) Direct the dues to a specific benefit to the 4-H Program in Jefferson County.
- 5) Your own idea.

Respectfully submitted for your consideration. Bruce A. Jones

# Amending Resolution No. 85-79 regarding settling unpaid special assessments with other taxing jurisdictions

# **Executive Summary**

Effective December 15, 2013, the Wisconsin State Legislature amended section 66.0413, Wisconsin Statutes. The new law makes municipalities responsible for costs associated with razing a structure in their jurisdiction. When a municipality makes the decision to raze a building, it cannot automatically pass the cost on to the County as a special tax as it could under the prior law. Razing costs must now be designated as a special assessment which gives counties the option of reimbursing a municipality for razing costs when property taxes are not paid. Jefferson County Board Resolution No. 85-79 adopted February 11, 1986, provides that Jefferson County will settle with municipal taxing jurisdictions for unpaid special assessments using county funds, but does not place any limitation on the amount payable by the County to municipalities. This resolution amends Resolution No. 85-79 by placing limitations on payments by the County to municipalities of \$10,000 per tax parcel and excludes payments to municipalities for costs associated with razing buildings. The Finance Committee met on June 13, 2017, and recommended forwarding this resolution to the County Board for approval.

WHEREAS, the Executive Summary is hereby incorporated by reference into this resolution, and

WHEREAS, Resolution No. 85-79, adopted February 11, 1986, provides that Jefferson County will settle with other taxing jurisdictions for unpaid special assessments using county funds, and

WHEREAS, the vast majority of special assessments or special charges do not aggregate to more than \$10,000 per parcel, and

WHEREAS, some special assessments, particularly in tax incremental finance districts, may exceed \$10,000 per parcel, and

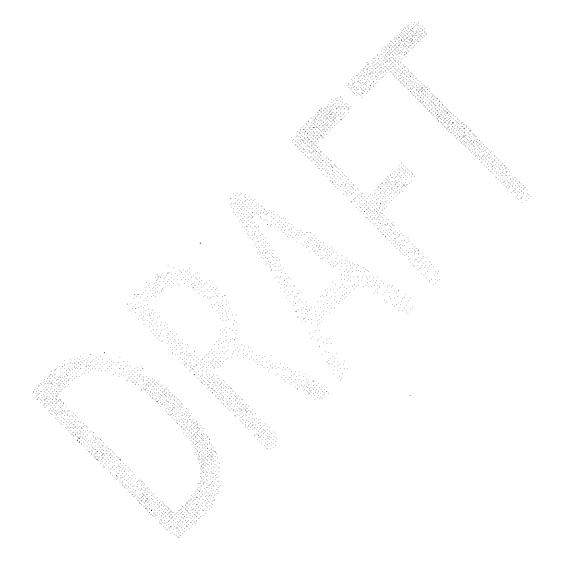

WHEREAS, unlimited settlement by the County may expose the County to risk of loss where the amount advanced for settlement of unpaid special assessments or special charges may not be realized through tax foreclosure, and

WHEREAS, the Finance Committee recommends that Resolution No. 85-79 be amended to provide a limit on the amount that the County will pay to settle unpaid special assessments or special charges not to exceed \$10,000 per tax parcel and exclude costs associated with razing buildings.

NOW, THEREFORE, BE IT RESOLVED that Jefferson County Resolution No. 85-79 is hereby amended to provide that the County will settle with municipalities in full for unpaid special assessments or special charges, excluding costs associated with razing buildings, not to exceed a total of \$10,000 per tax parcel.
