5. Clean Sweep Event Operation

The Veolia Project Manager conducted a safety meeting for all Committee members, staff, and
volunteers at 7:30 a.m. They explained the safety procedures that needed to be followed at a
Clean Sweep event. After they were done, Sharon explained the jobs to the volunteers and
Committee members; jobs then were assigned.

At 7:45 a.m. everything was in place and we started putting cars through the Clean Sweep. At this
time we already had two cars in line.

The results of our Clean Sweep event:

105 Jefferson County Participants and 1 Dodge County Participant bringing the total to 106.
Participants were grouped as follows: 98 household, 6 farms, and 2 were not surveyed.

Sergeant Johnson took ½ pound of controlled drugs back to his evidence room.
Sergeant Johnson sent 417 pounds of mixed drugs emptied from containers to the DEA spring
collection April 27th for disposal April 29, 2013. The group sorted drugs from the Watertown Police
Department and from Clean Sweep appointments. (17 brought both meds and chemicals)

This year again Rick took all the latex paint that was brought in by residents. Rick said if he
couldn't use it in the Street Department he would dispose of it properly.

We have not received the invoice from Veolia at this time so we don't know the cost or poundage of materials collected.

Survey questions were asked with these results:

1. Did you know about the electronics and appliance recycling sites? 92-yes & 12-no
2. Did you know about the five drug collections sites? 87-yes & 17-no
3. Did you know Clean Sweep information can be found on our website? 72-yes & 32-no
3. Have you ever participated in a Clean Sweep Program before? 47-yes & 57-no

8. Adjourn

The Clean Sweep ended at 11:30 a.m.
