

Jefferson County Solid Waste & Air Quality Committee

Lake Mills Light & Water Department
155 S Industrial Dr
Jefferson WI 53549

Agenda

Saturday, June 13, 2026, 8-11 a.m.

1. Jefferson County Electronic & Appliance Recycling Event
 - A. Items: Electronics & Appliance Recycling

For more information, visit our website at:

https://www.jeffersoncountywi.gov/planning_and_development/solid_waste_and_recycling/appliance_electronics_recycling_events.php

Please call the Clean Sweep/Sustainable Waste Programs Coordinator Kim Buchholz at (920) 674-7430 with questions.

This is a Solid Waste & Air Quality Committee event; no business will be conducted!

A quorum of any Jefferson County Committee, Board, Commission, or other body, including the Jefferson County Board of Supervisors, may be present at this meeting. Individuals requiring special accommodation for attendance at the meeting should contact the County Administrator 24 hours prior to the meeting at 920-674-7101 so appropriate arrangements can be made.
